Mix 247 EDM is back with our weekly picks! Some favorites this week include tracks & EP's from MARAUDA, BadKlaat, Boogie T, MIZE, and more! Check out the full top ten list below, and thank you for tuning into this week's Mix Picks!

1.) MARAUDA – 'AVOIDABLE CAUSE'

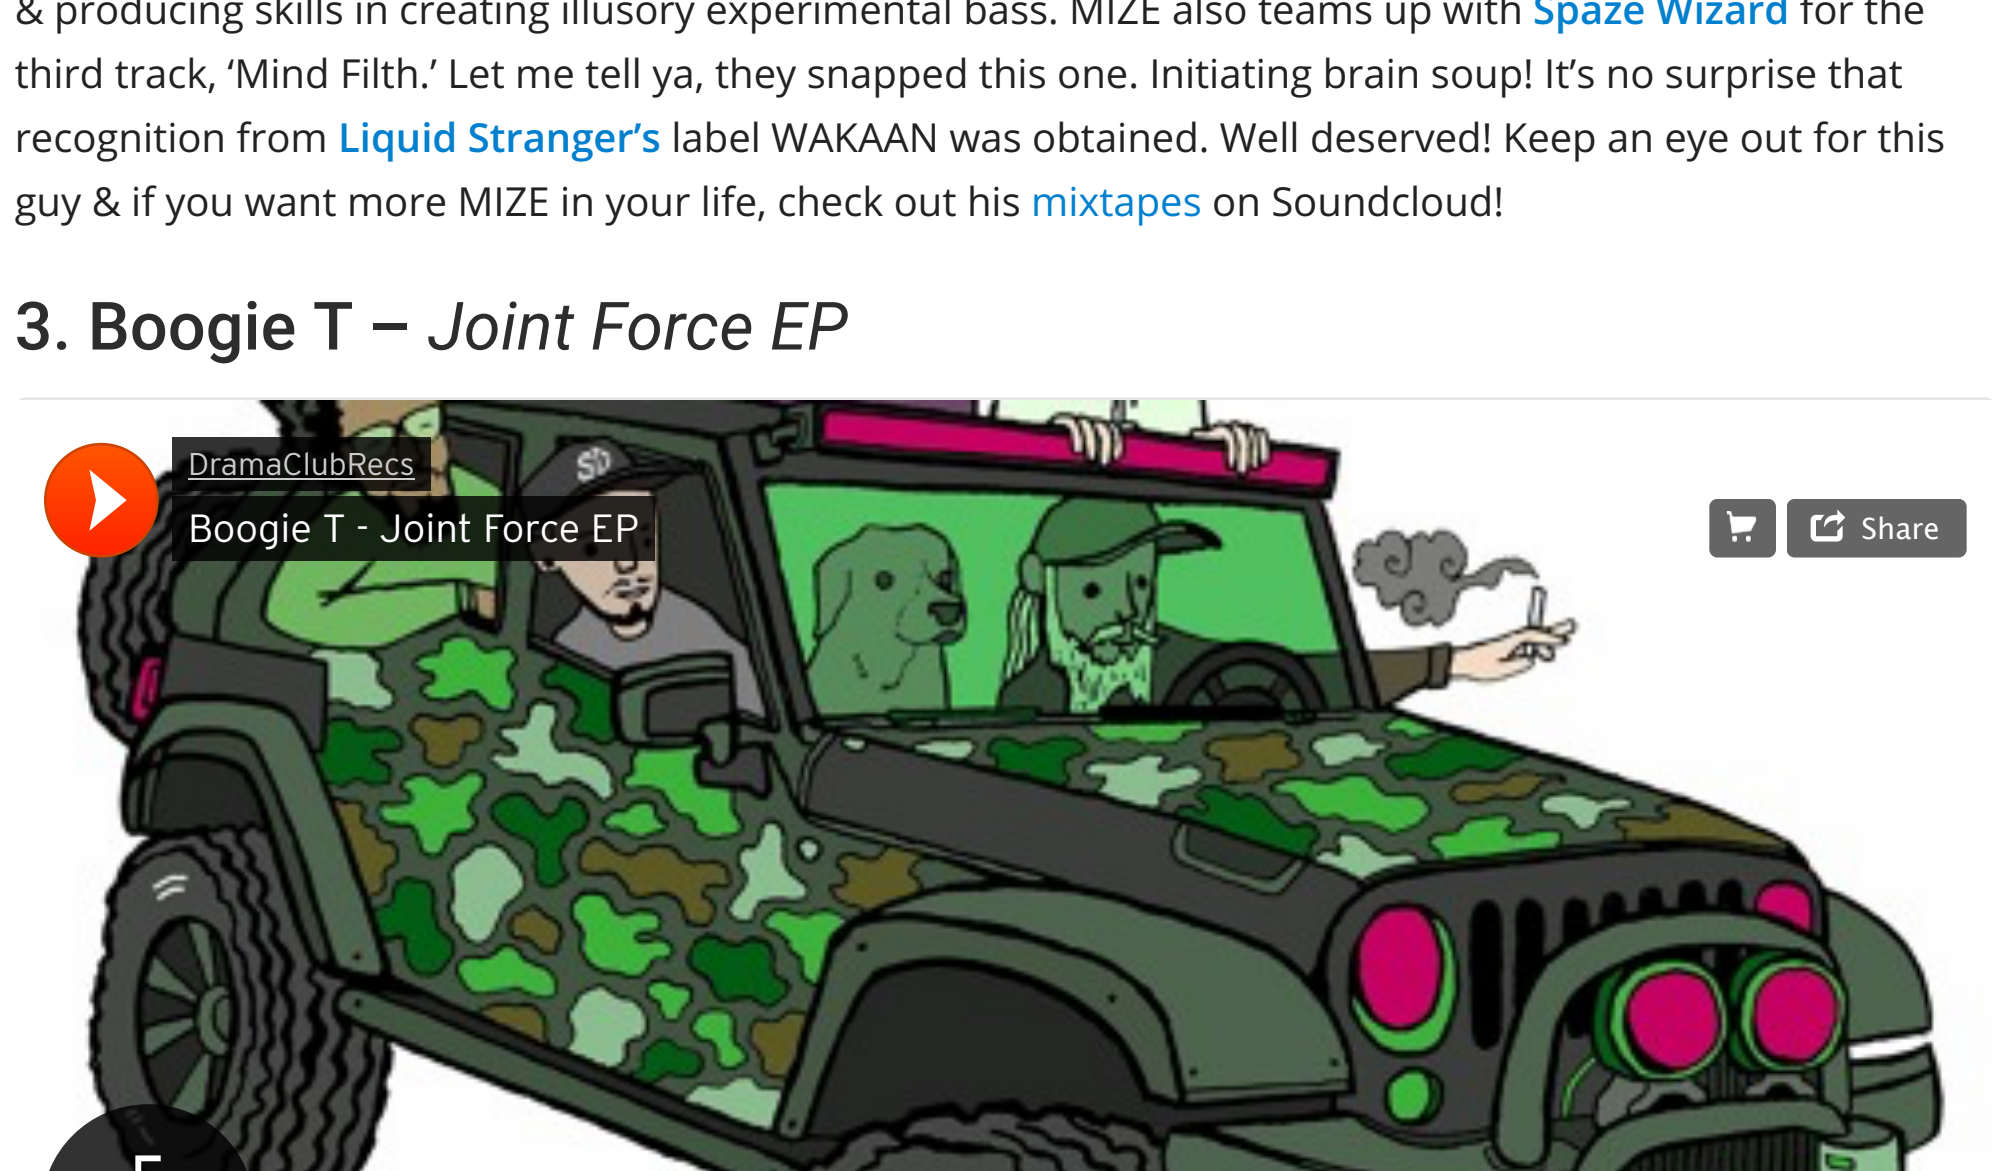

Hamish Prasad, also known as MARAUDA, has created a genre of his own. The Australian dubstep prodigy has been grinding non-stop since the age of 16. Now only 4 years later & at the age of 20, MARAUDA has become a top essential artist of this community. Why? It's because his music is capable of doing things you didn't know you wanted to do. His latest release, 'AVOIDABLE CAUSE' will bring you right back to the pit.

2. MIZE – Thought Process EP

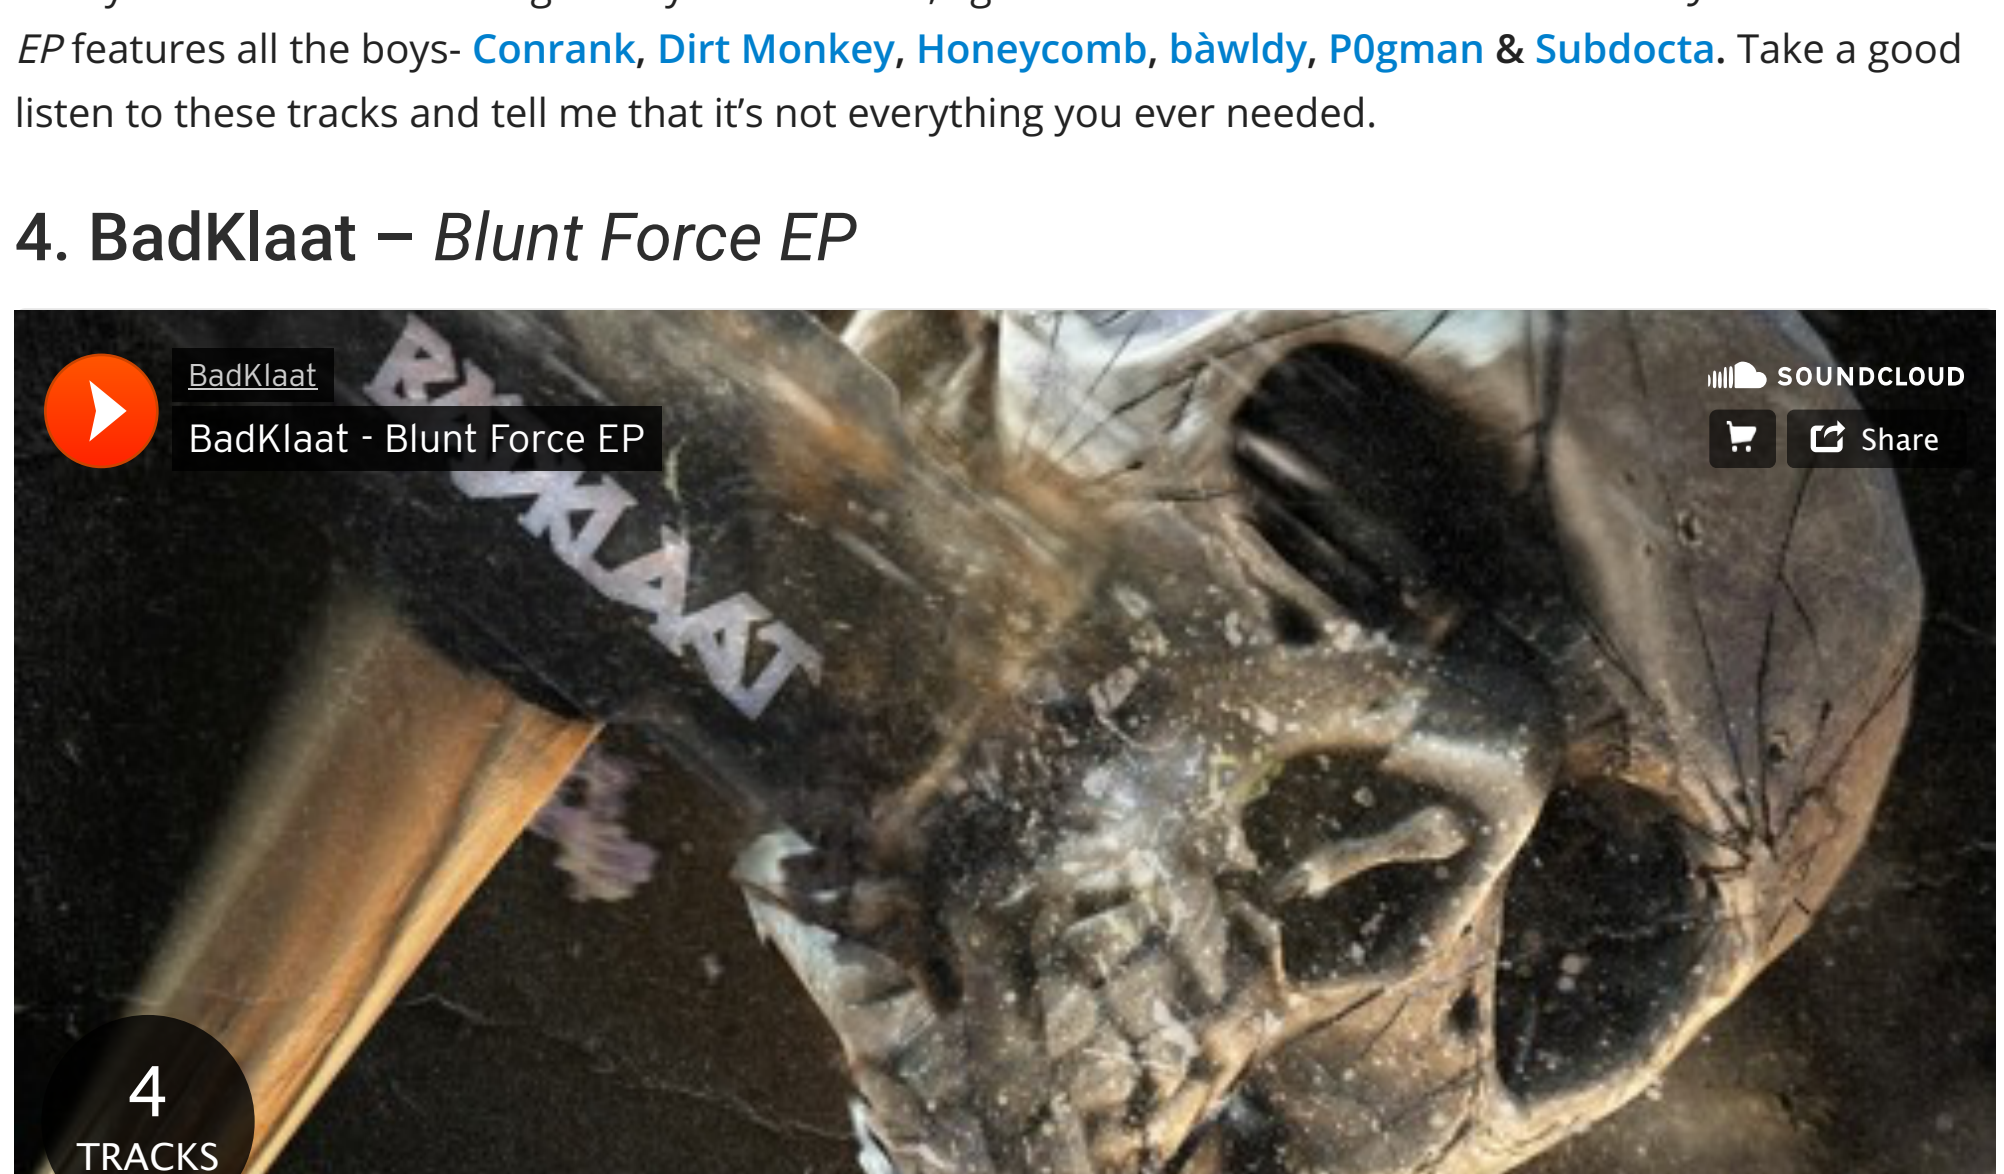

Ian Evans, aka MIZE, dips further into his production journey with his latest EP release, Thought Processes via WAKAAN. MIZE debuted the pre-single 'Thought Process' back in August and since then has gained widespread praise from fans all over the world. Thought Process exhibits his unique sound design & producing skills in creating illusory experimental bass. MIZE also teams up with Spaze Wizard for the third track, 'Mind Filth.' Let me tell ya, they snapped this one. Initiating brain soup! It's no surprise that recognition from Liquid Stranger's label WAKAAN was obtained. Well deserved! Keep an eye out for this guy & if you want more MIZE in your life, check out his mixtapes on Soundcloud!

3. Boogie T – Joint Force EP

Boogie T, known as a Kendama Allstar and father of DramaClubRec's, is always bringing more life & laughter into this world. He's all about having a good time. Additionally, what better way than to spend it with your best buds all doing what you love? Well, I guess that's how sweet riddim is born. Joint Force EP features all the boys: Conrank, Dirt Monkey, Honeycomb, bawdy, P0gman & Subdocta. Take a good listen to these tracks and tell me that it's not everything you ever needed.

4. BadKlaat – Blunt Force EP

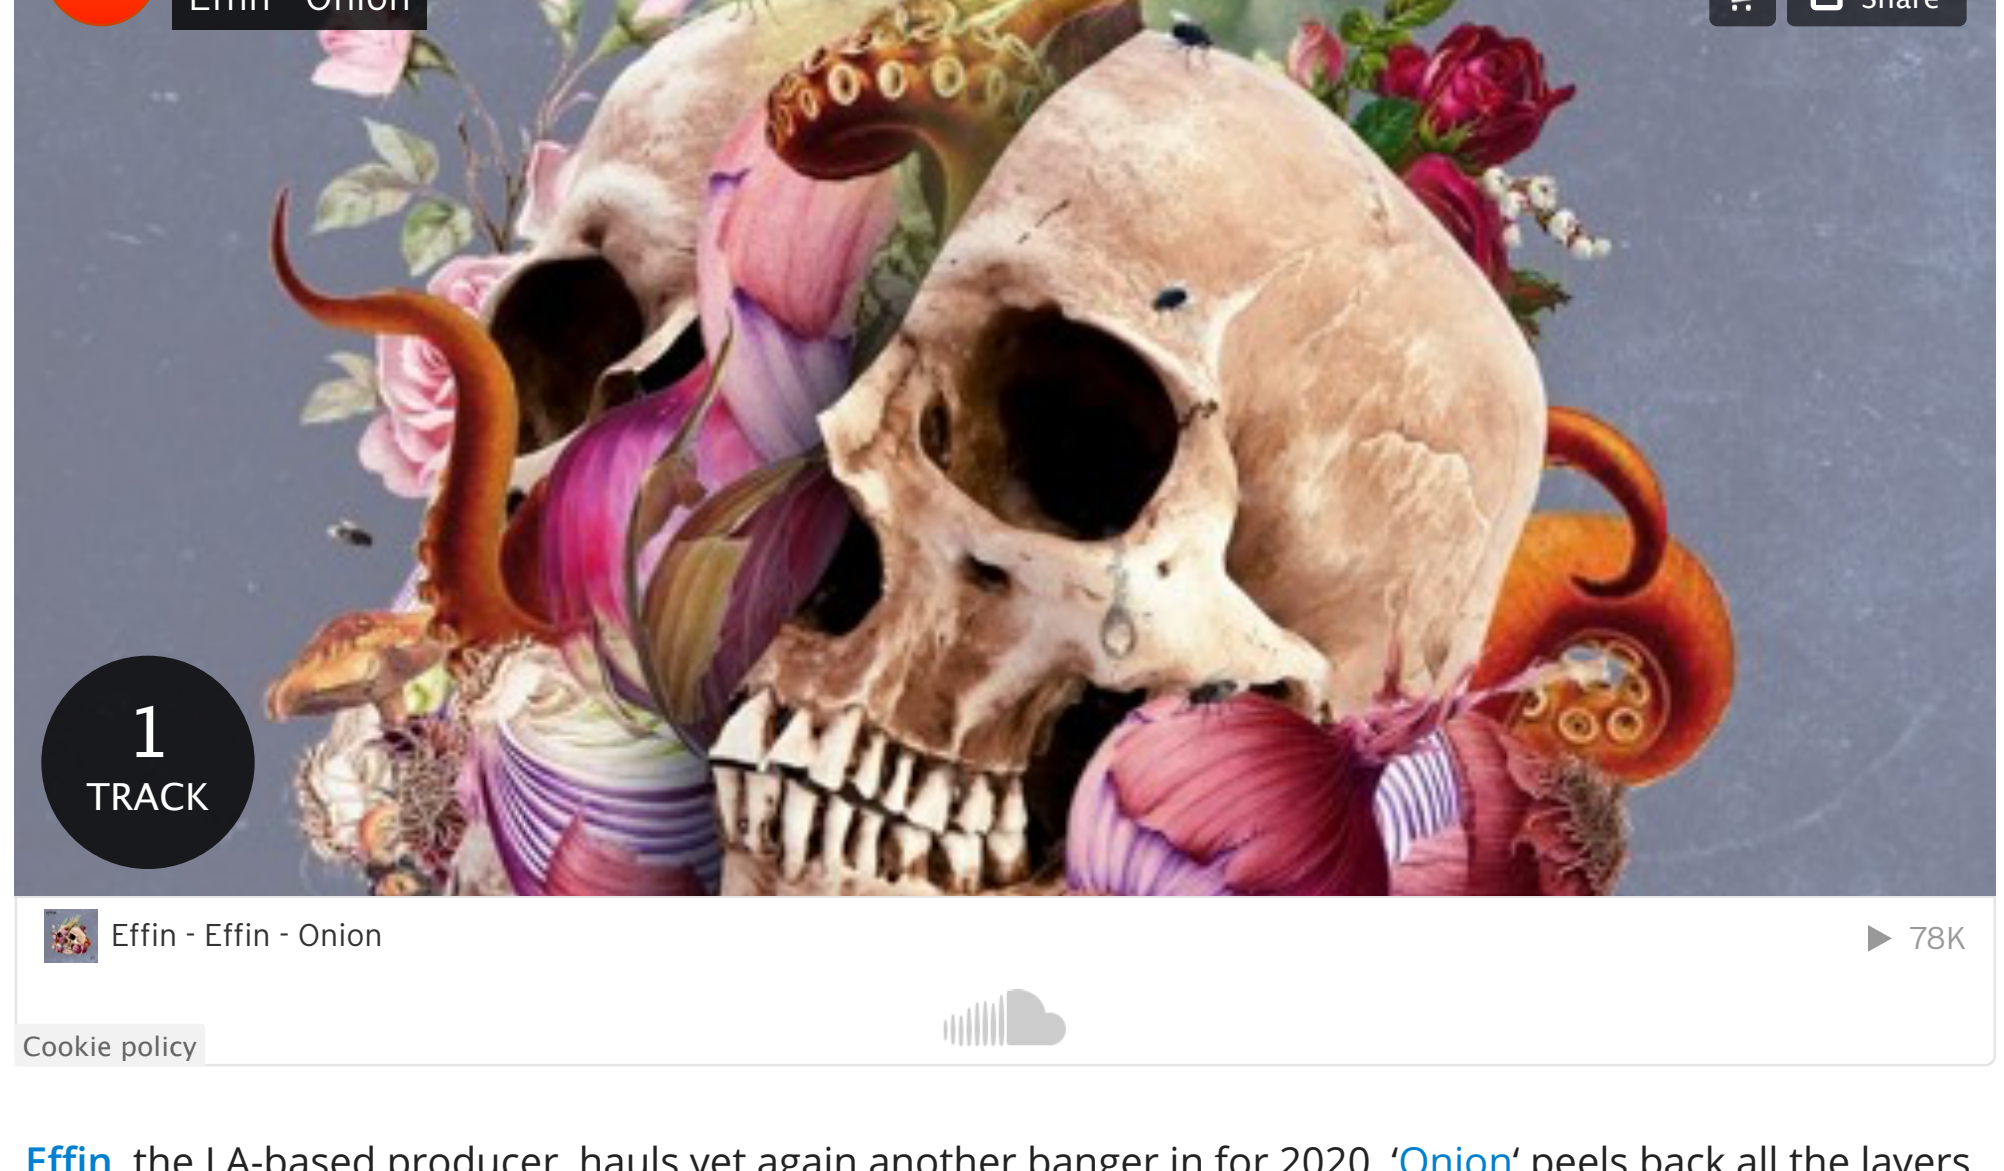

UK producer Adam James aka BadKlaat, is a wholesale beast. All things aside, everything he produces is absolutely mental. It's been five years since his legendary release of 'Head Crush' (which btw will never get old), and he still stays crushin' it. Through hard work and consistent releases, BadKlaat closes out the year with his massive EP Blunt Force.

5. YDG & Volt – 'Evil Dead'

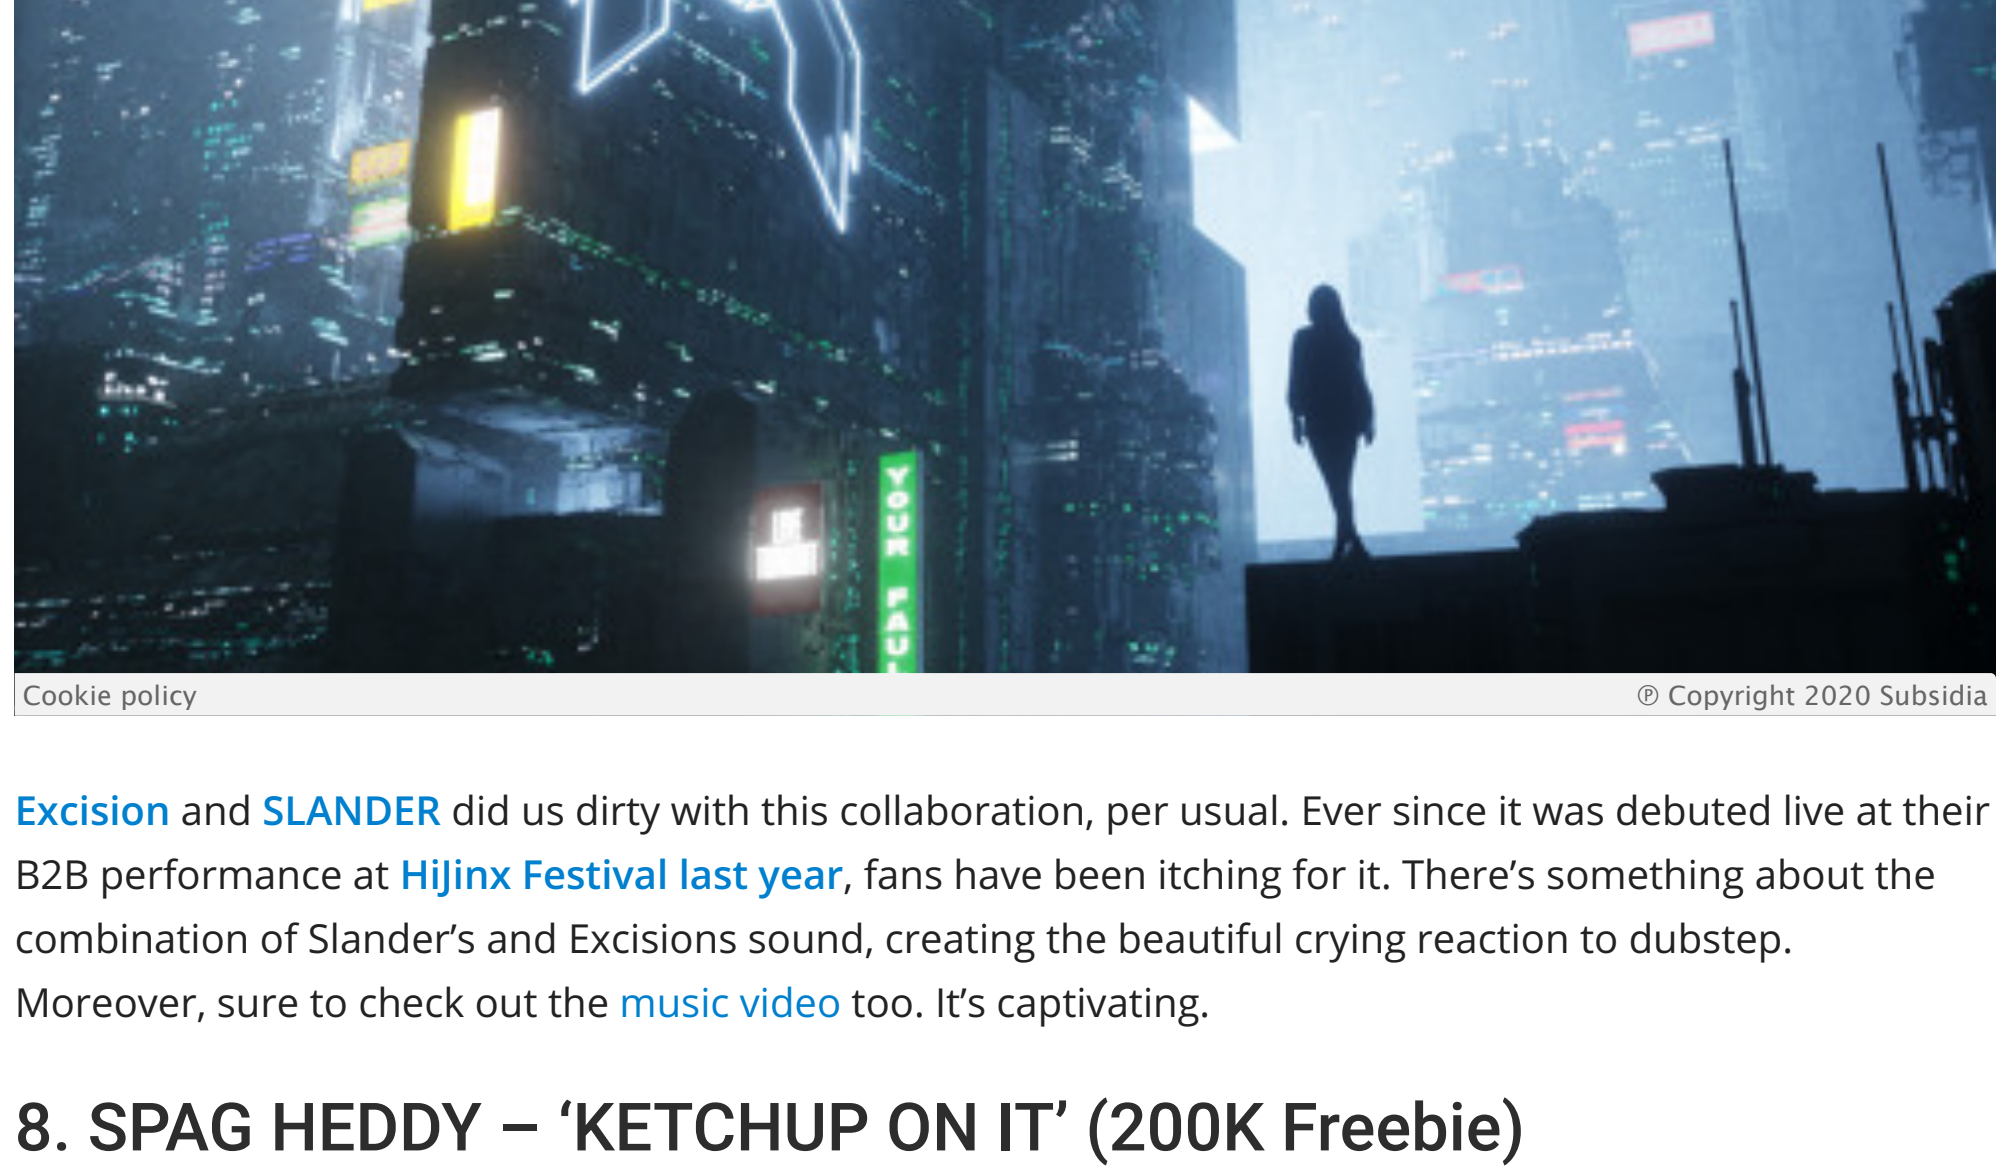

If you want to support the guys who are breaking boundaries in bass music from the bottom up, YDG&VOLT is who you'll want to follow. Joining forces on their most recent creation, 'Evil Dead' highlights their unearthly sounds together so perfect it pleases the mind. Without a doubt & in a short time, YDG and VOLT have become revered names rising from the underground bass community.

6. Effin – 'Onion'

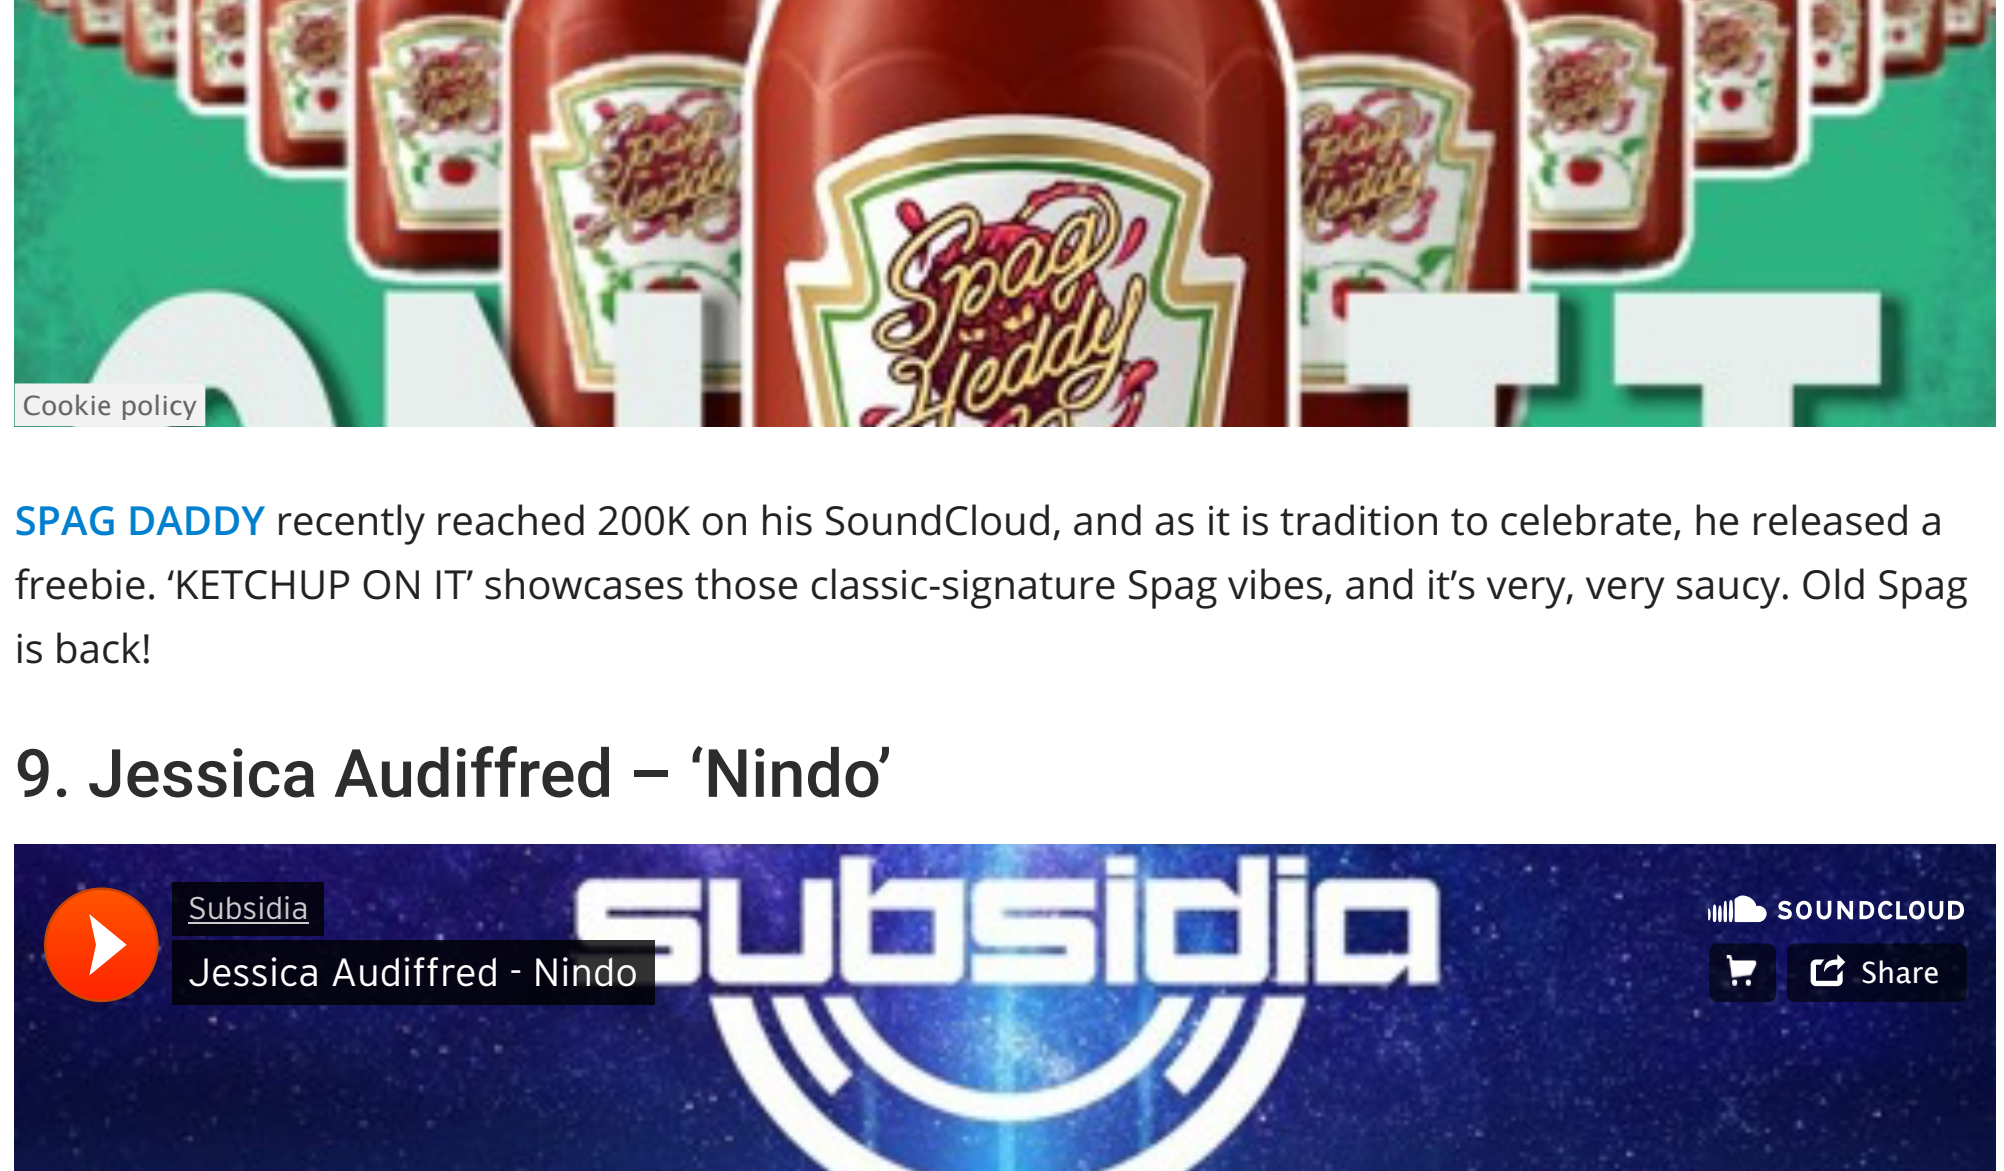

Effin, the LA-based producer, hauls yet again another banger in for 2020. 'Onion' peels back all the layers to the center of an utterly distorted sound design. However, it's not sure how he makes those chops so clean but so dirty, I'm not one for onions, but this one I'd eat raw.

7. EXCISION, SLANDER, ELLE VEE – 'YOUR FAULT'

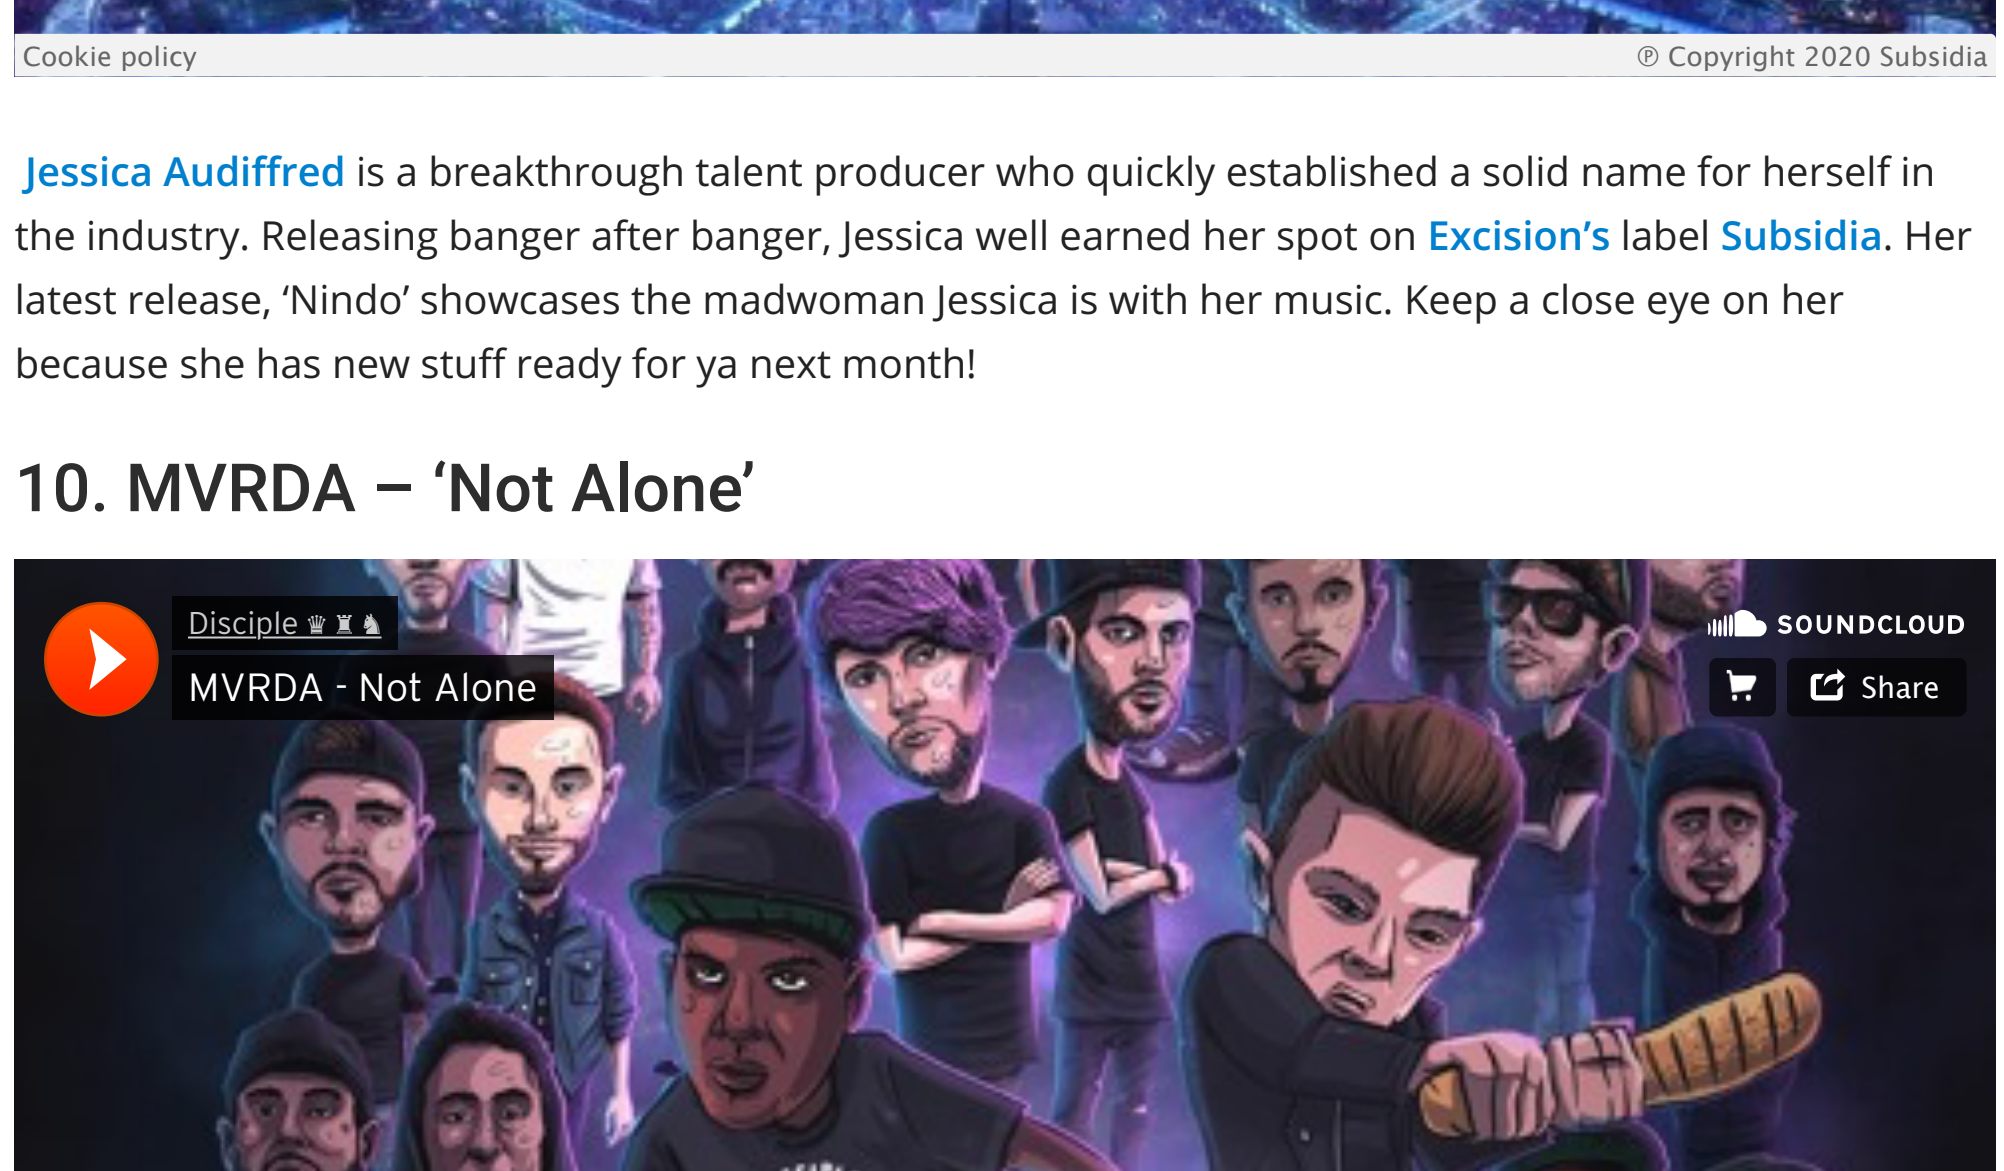

Excision and SLANDER did us dirty with this collaboration, per usual. Ever since it was debuted live at their B2B performance at Hijinx Festival last year, fans have been itching for it. There's something about the combination of Slander's and Excision's sound, creating the beautiful crying reaction to dubstep. Moreover, sure to check out the music video too. It's captivating.

8. SPAG HEDDY – 'KETCHUP ON IT' (200K Freebie)

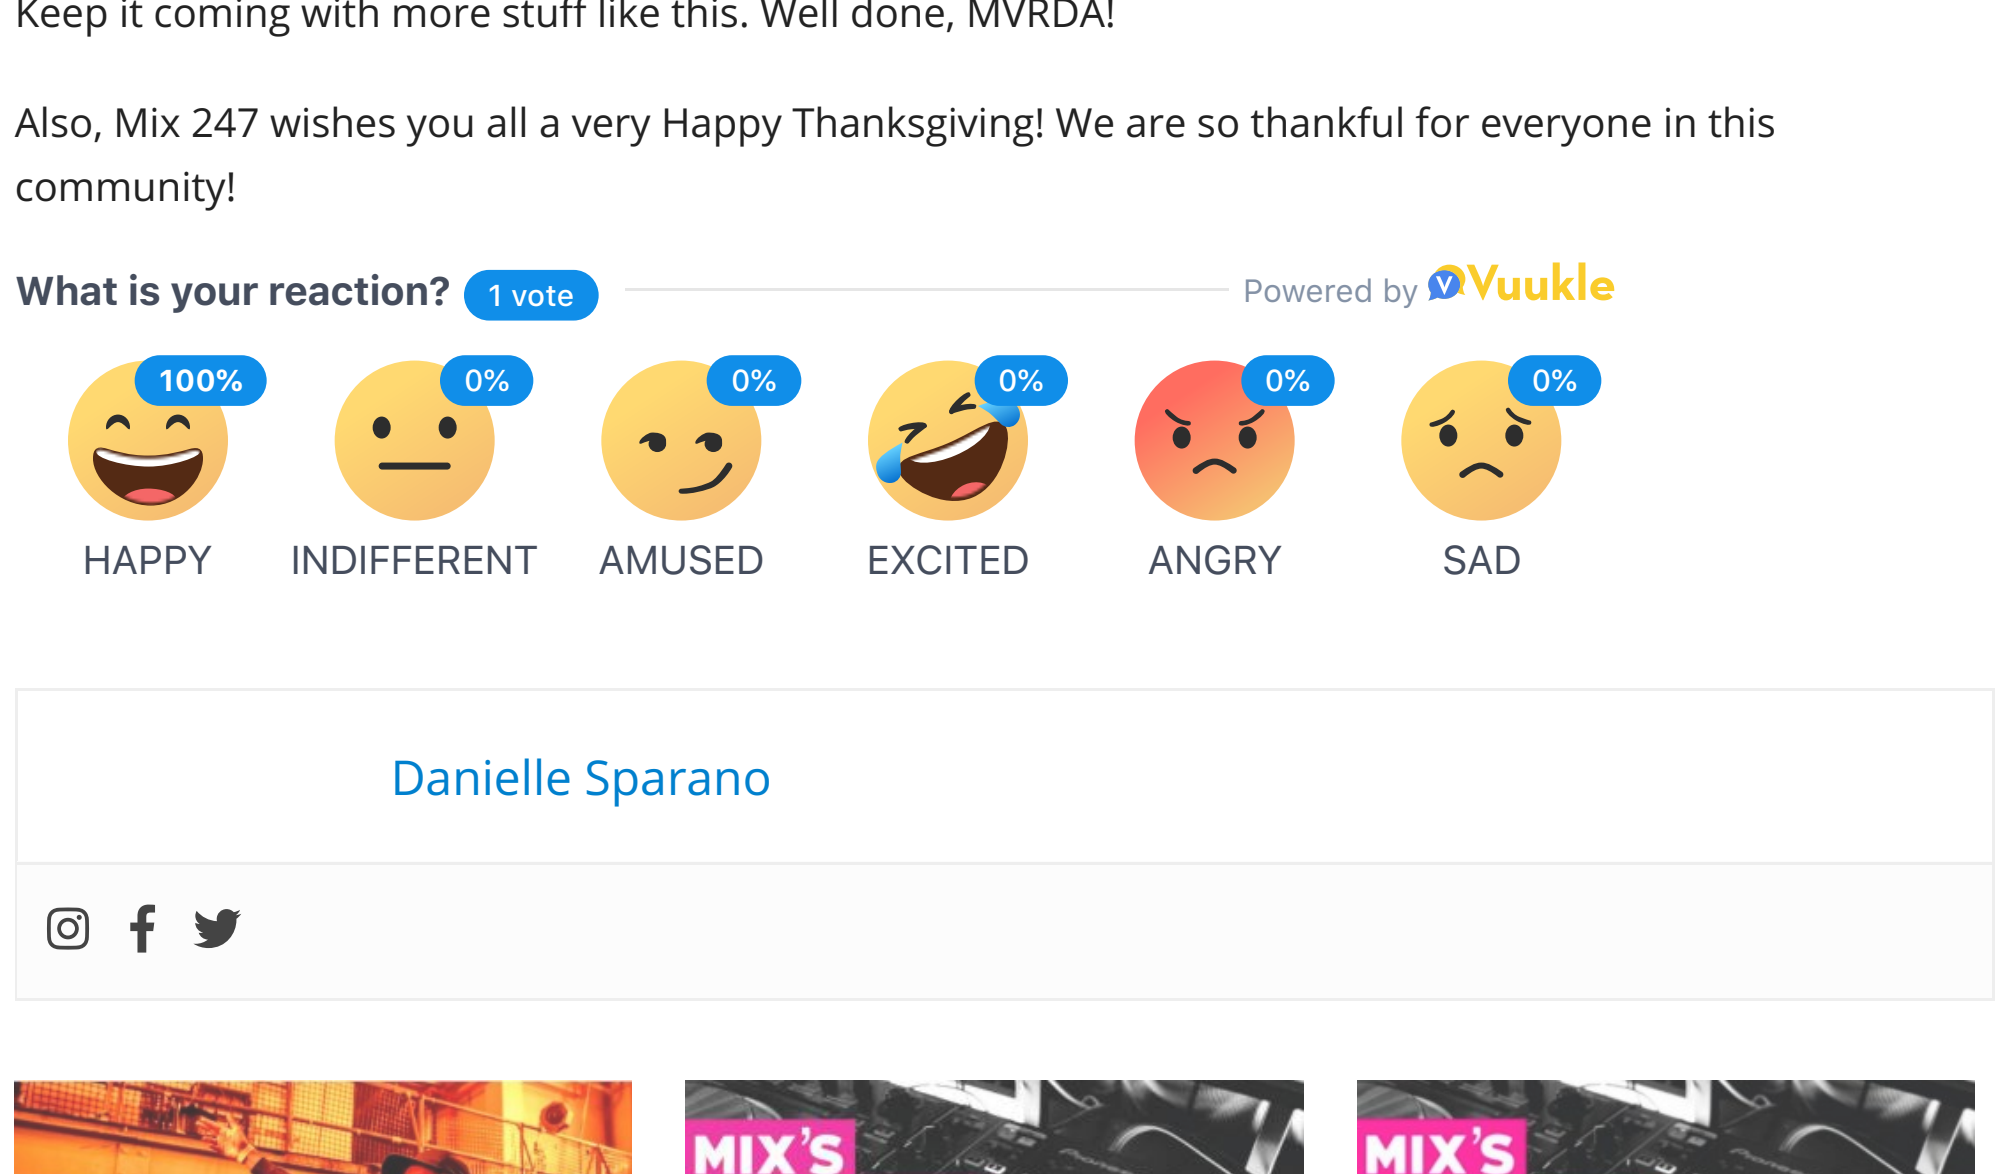

SPAG DADDY recently reached 200K on his SoundCloud, and as it is tradition to celebrate, he released a freebie. 'KETCHUP ON IT' showcases those classic-signature Spag vibes, and it's very, very saucy. Old Spag is back!

9. Jessica Audiffred – 'Nindo'

Jessica Audiffred is a breakthrough talent producer who quickly established a solid name for herself in the industry. Releasing banger after banger, Jessica well earned her spot on Excision's label Subsidia. Her latest release, 'Nindo' showcases the madwoman Jessica is with her music. Keep a close eye on her because she has new stuff ready for ya next month!

10. MVRDA – 'Not Alone'

UK-based artist Tommy Lee Ray aka MVRDA, got real weird with it on this one. 'Not Alone' brings in that deep dub on the Disciple Alliance Vol. 6. 'Not Alone' is the perfect tune for those post campsite vibes. Keep it coming with more stuff like this. Well done, MVRDA!

Also, Mix 247 wishes you all a very Happy Thanksgiving! We are so thankful for everyone in this community!
