Follow our [October playlist](#) to check out what we have on our rotation! Some favorites this week for our Top Ten include tracks & EPs from GRiZ, Shanghai Doom, Rusko, and more! Check out the full top ten list below and thank you for tuning into this week's Mix Picks!

1. GRiZ – BANGERS[6].ZIP

3 TRACKS

- GRiZ - GRiZ X Jauz - No Doubt ▶ 1.80K
- GRiZ - GRiZ X Blunts & Blondes - Juicy ▶ 1.23K
- GRiZ - Brain Fuzz ▶ 66.8K

"Fuel for your gas tank, spooky wubs, play it loud, & get wild." From the icon himself...banger after banger... GRiZ has released *BANGERS[6].ZIP*. All three tracks are a bop. It starts out with 'No Doubt' x JAUZ, a collab we didn't know we needed so much. Perfectly flowing into 'Juicy', *Blunts & Blondes* enters the building. A juicy blunt you say? You will need one to handle those watery dubs. *BANGERS[6].ZIP* comes to an end tickling your brain with 'Brain Fuzz'.

2. Rusko – SAUCE EP

4 TRACKS

- Wakaan - Rusko - Ecstasy Dreamland [Complex UK Premiere] ▶ 50.5K
- Wakaan - Rusko - Carrot Cake ▶ 44.3K
- Wakaan - Rusko - Dirt Monkey - Fluriantails ▶ 66.8K

Rusko came in hot with that special sauce, *literally*. Out now via *Wakaan*, *SAUCE EP* will bring you way back to the old school dubstep days...and there's nobody that does it like Rusko. *SAUCE* also includes collabs with *Dirt Monkey* and *Boogie T*, two producers who are extremely familiar with those wobbles.

3. Shanghai Doom – Rituals III

6 TRACKS

- Shanghai Doom - Shanghai Doom - Midsommar [Headbang Society Premiere] ▶ 12.9K
- Shanghai Doom - Shanghai Doom - Servant Of God [Electric Hawk Premiere] ▶ 19.9K
- Shanghai Doom - Shanghai Doom - Thomasin's Guide ▶ 13.1K

Rituals III is finally here and its certified GAS. *Shanghai Doom* constantly aims to show their love for all that is weird and wonky. *Rituals III* expands the sounds that move you into another dimension. Listen to 'Midsommar' straight through to 'Dance of Hurt... Dont ask me where your soul went.

4. Yookie – FISSION EP [Subsidia]

6 TRACKS

- Subsidia - YOOKIE - Nuclear ▶ 20.9K
- Subsidia - YOOKIE - NFS [EXPLICIT] ▶ 35.4K
- Subsidia - YOOKIE - VIBRANC ▶ 36.5K

The *Yookie Brothers* just released the first ever EP signed to Excisions new label, *Subsidia* (and its *absolutely wild*). *FISSION* is a 6 track EP including collabs with *toooquiet*, *code pandorum_official*, & *advmstone*. The tracks here are so clean that its hard to tell when the next song starts. Overall, the whole thing will make you want to nose dive into moshpits. *Lost Lands 2021* cannot come soon enough!

5. PEEKABOO – HIDE AND SEEK VOL. 3

Oops, we couldn't find that playlist.

SOUNDCLOUD

HAPPY HALLOWEEN! The third installment of *Peekaboo's* hide and seek series is here. A yearly halloween mix dedicated to showcasing underground talent and producers. Full Tracklist [HERE](#). Go follow these guys and check out their music, some serious insane talent. There's also some filthy ID's mixed in from Peekaboo himself.

6. YAKZ – 2020 SHOWCASE

Yakz announced some new music coming soon but in the meantime he made a showcase of all it all to hold us over. Yakz did us dirty with this showcase, it's MEAN. There's not a single part where it stops. Flith into more flith. If you like that heavy riddim, do not sleep on this. Lets hope these ID's get released soon.

7. Kai Wachi x Dylan Matthew – 'Run' (Remixes) EP [RUVLO]

7 TRACKS

- yetep - Kai Wachi & Dylan Matthews - Run (yetep Remix) ▶ 33.6K
- UBUR - Kai Wachi x Dylan Matthew - Run (UBUR Remix) ▶ 54.3K
- Hairitage - Kai Wachi x Dylan Matthew - Run (Hairitage Remix) ▶ 28.1K

Earlier this year, *Kai Wachi* and *Dylan Matthew* released their hot-blooded yet bass-heavy single, 'Run.' Of course the original single is perfect, but Kai Wachi and Dylan Matthew have chosen seven aspiring producers to create their own version to 'Run'. However the one that takes the cake is *RUVLO's*. The switch up on the drop sneaks in sending your body in shivers. Be sure to check out the others too: *yetep*, *UBUR*, *Hairitage*, *Bebi*, *Ruvlo*, *GLD*, & *Danny Olson*

8. DirtySnatcha x Matt Doe – 'Something More Than This' Ft. Katie Sky

Three weeks in a row on Mix's Weekly Picks! Nothing can stop this man. *DirtySnatcha* has been throwing heat left and right. Coming together with *Matt Doe*, 'Something More Than This' takes place as another heater via *Subsidia Night Vol. 1*.

9. TVBOO – Something 4 Ur Mind EP

4 TRACKS

- Wakaan - TVBOO - Something 4 Ur Mind [Headbang Society Premiere] ▶ 56.6K
- Wakaan - TVBOO - Bust ▶ 46K
- Wakaan - TVBOO - Warhaat ▶ 37K

As *TVBOO* said *himself*: "Well clap my cheeks and don't call me back, Something 4 Ur Mind EP is OUT NOW with *Wakaan!*" The whole sound design of this EP is genius, talk about facing 4 ur mind bass tracks.

10. Ganja White Night – 'Emdog'

Throwback track of the week goes to old school *Ganja White Night*. 'Emdog' will never get old, but lets be serious i dont think any Ganja song will ever get old! Blast this on the way to work and its an immediate good mood.
