Melodic dubstep duos, [Adventure Club](#) and [ARMNHMR](#) just delivered the euphoric new single, 'Anywhere', featuring [HALIENE](#). This emotional gem is streaming now on platforms via [Ultra Music](#).

'Anywhere'

ARMNHMR has witnessed a fusion of industry support in recent years due to their widely-successful 2020 EP *The Free World* and then followed by *1,000 Dreams*. Now, Adventure Club calls upon the LA-based duo to build the ultimate heart-smashing collab. 'Anywhere' gained its initial popularity from the hundreds of thousands of viewers on *Insomniac's Virtual Raveathon*. The track is a whimsical love story with emotional feelings pouring through synths and sounds.

"We've been anxiously waiting to release 'Anywhere.' It's our idea of the perfect collaboration between artists we admire. ARMNHMR really helped drive this track home paired alongside HALIENE's ethereal vocals. We think this will be an instant classic for old fans and new fans alike. To be listened on loud, surrounded (virtually) by people you love." – Adventure Club.

"'Anywhere' is a mega collaboration that we are very excited for as it's been a long time coming during a time where everyone needs a little more love and a little more compassion for each other." – ARMNHMR
