

WE ARE OFFICIALLY OPEN FOR BUSINESS!

The first ever mobile salon/spa, pet and home care service provider on the island is here. A one-stop shop for all your self-care and self-love needs. After the year we've all had, it's time to revive and rejuvenate ourselves. Return some normalcy to our beauty routine or try a new relaxation technique.

At **PamperME Services** we are dedicated to your peace of mind and that's why we have hand-selected the most talented and professional service providers on this island. They come with 3-5 years experience, have been vetted by our company and have completed the PamperME training to be certified as a top-quality SP.

We're so excited to introduce a new lifestyle choice, a place you can come to whenever you need a little pick-me-up or when you want to treat someone to a thoughtful and special gift. We specialize in fulfilling the needs of self-care.

Don't hesitate to reach out with any questions or ideas. We welcome all feedback and want to hear from our current or potential clients. Please refer to the FAQs on our website for more information, chat into one of our agents for a quick reply, send a direct message or comment on either of our social channels or email us with anything more extensive. Also feel free to follow or like to show us some love. 😊

We listen because we care, and we can't wait to meet you!
