

Breathe Easy Generation Next and

Enjoy the “**Green**” of **Over \$600,000** in
Scholarships Just for Generation Y(ou)!

Apply online at www.smeef.org

EDUCATION
FOUNDATION
SM

It's your turn Generation Next! And it certainly should be because you represent one of the largest groups of young people on earth in human history!

And while you are more commonly known as **Generation Y**, you are more than just the generation that follows X because **you've already proven that it's time to redefine the Y as the technologically savvy, smarter-than-ever, optimistic Y(ou)!**

So shouldn't there be **scholarships to inspire, support and prepare Generation Y(ou)?**

In fact, each year the **SME Education Foundation** awards more than **150 scholarships** ranging from **\$1,000 up to \$80,000** for high school graduate, undergraduate and graduate students.

That adds up to about **\$600,000** in scholarships a year!

And Y not consider engineering?

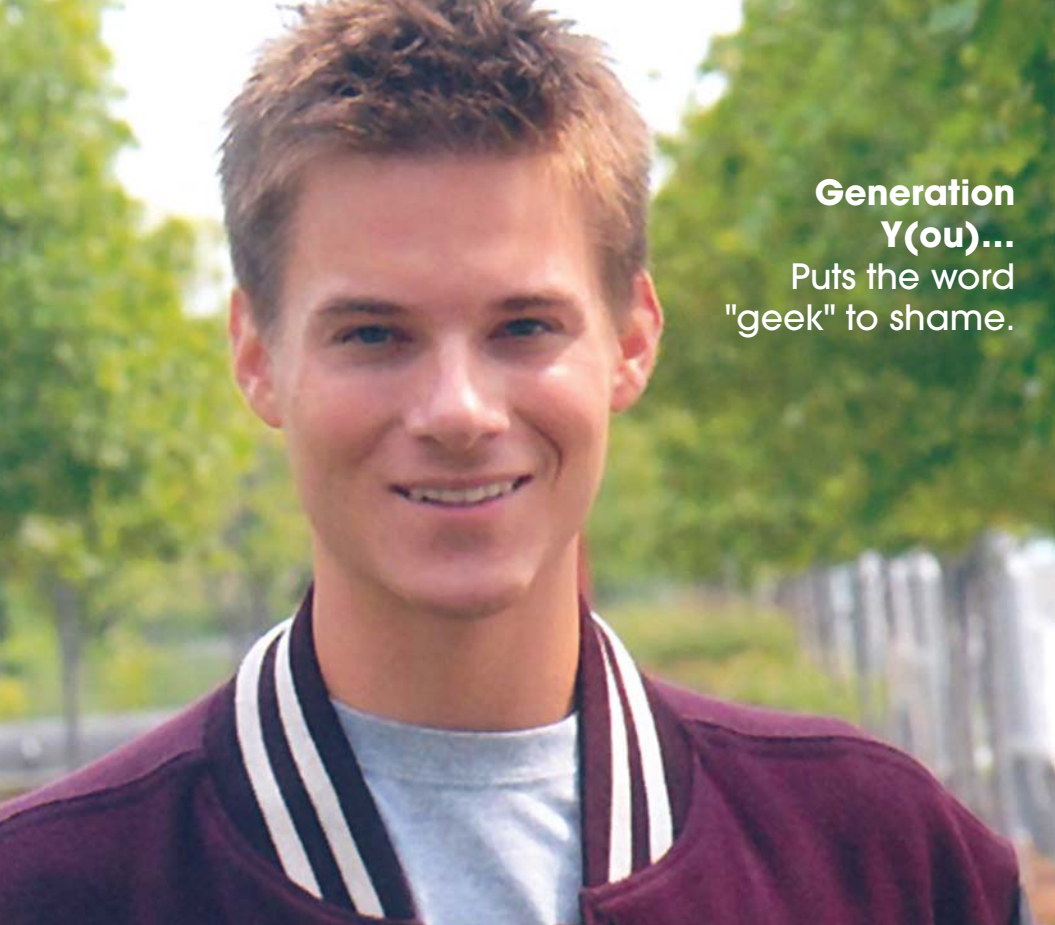

In a way, weren't you on your way to becoming an engineer when you took apart your parents' DVD player just to see what was inside or thought about opening up your MP3 player just to see what makes it tick?

You've always been incredibly inventive
so why not take it a step further?

After all, it took incredibly inventive minds to perfect something as large as an airplane or something as powerful as your dream car.

Engineers are some of the most creative people on the planet who make our lives easier, faster, brighter...better.

**How will GENERATION Y(OU)
re-energize, re-invent,
or revolutionize the world?**

**Generation
Y(ou)...**
Puts the word
"geek" to shame.

A scholarship to get “geeked” about

*"Education is
our greatest
opportunity to give
an irrevocable gift to
the next generation"*

Ernie Fletcher
Governor, State of Kentucky
2003-2007

Generation Now...

Give the gift of education to our future engineers and technologists as they prepare to re-energize, re-invent and revolutionize the world.

There are many ways that you can give to the next generation as they prepare for fulfilling and rewarding careers in manufacturing technology and engineering.

You can make a tax-deductible donation today by:

Visiting www.smeef.org and selecting "Donate"

Or simply mailing your gift to:
