## Hereva News

### ISPE Trade Show is Back!

There were many things that couldn't happen last year because of the shutdown, but one of the things we really missed was the ISPE Trade Show held each year at Gillette Stadium. We love the opportunity to chat with old friends in the industry – and make some new ones! We are happy to announce that the Show is ON for 2021!

Mark your calendars for SEPT 15<sup>th</sup>. Come on down to Gillette Stadium and find

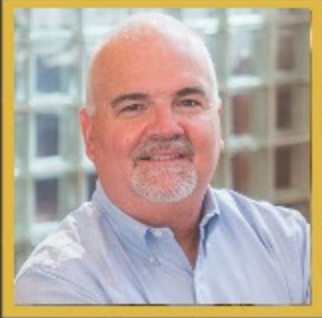

us at **Booth #W36**. Stop by, enter our Raffle to win an **Apple Watch**, and pick up your free gift! We look forward to seeing you!

[Learn More](#)

**Highlights:** Moderna VP Scott Nickerson will deliver the opening keynote speech on *COVID's Impact on Pharmaceutical Facilities in the Future*. You won't want to miss that.

## Our Latest Blogs

### [Life Science Lab Space and Innovation](#)

We attended the Boston Business Journal's Biotech event on Aug 11th. We were not surprised to hear them say that Boston is one of the leading clusters for biotech innovation and drug discovery in the country, perhaps the world.

## Insights: Life Sciences 2.0

Hereva CEO Patrick Gallagher joined a panel of experts as they explored the future trends in Life Sciences and discussed how those changes could impact multiple audiences: CRE, A&D, General Contractors as well the end user.

The webinar was part of **Allsteel's Life Sciences Learning Labs** discussions.
