Journalist Experience

WOUB Public Media - News Producer

Athens, OH

09/2021 - Current

- Take on the role of Wednesday producer for our nightly newscast, *NewsWatch*, stacking the show, writing the stories and taking care of anchor assignments/camera angles for each segment. I also manage the timing and operate the booth during the 30-minute broadcast
- Act as an assistant producer on Mondays, maintaining the routine of crafting stories, composing headline lowers, and other related tasks
- Initiated involvement as one of the weekly news anchors and reporters for *NewsWatch*, responsible for creating two audio and video news packages each month
- Successfully fulfilled a summer internship at WOUB in 2022, where I served as a news anchor and reporter, specializing in covering Ohio University news. Consistently dedicated more than 40 hours per week to contribute effectively to the team and gain valuable experience in the field
