

Escape to a Tropical Haven in the Foothills of Earlville

Property description:

A stunning Earlville home surrounded by tropical rainforest and exquisite mountain views, perfect for Queensland weather and caters to those looking for intimate family living and lavish entertaining.

Whilst the scenic landscape provides plenty of privacy, this home is still very close to the city.

Spread across three floors, it includes a master bedroom with a queen bed ensuite featuring a soaker tub. The property also has 3 other queen bedrooms, one with direct access to a balcony, a resort-sized pool, and 2 parking spaces. If you value privacy, you won't be disappointed in this tranquil sanctuary with easy access to local attractions, including restaurants, shops, and parks—all within 10 minutes of the CBD.

The space:

The home hosts stunning cathedral ceilings on the first level and there are 3 bedrooms (one has its own balcony), all with built-in air-conditioning. The main bathroom also has a laundry. There is a kitchen with an electric stovetop, an oven, and plenty of cupboard space. The open plan has a spacious dining area overlooking the lounge on the next level.

Stairs lead to the second-floor living area with an incredibly picturesque backdrop. The third level comprises a luxurious master bedroom with an ensuite spa. In the bathroom there is a timber deck with amazing rainforest views. You will also find an entertainment patio with a bar, large kitchen, and dining area overlooking a resort-sized pool with a waterfall and a gazebo offering privacy.

The home includes all necessary amenities, with 2 parking spaces, a washing machine, dryer, iron, air conditioning, patio/balcony, and a backyard.
