## BEHIND THE SCENES WITH JAMIE R

**We ask Jamie Robinson, Tesco's executive chef, product development, about his ideas for celebrating a memorable Easter.**

'Easter is a time to share and a great excuse to eat good food. Kick off the morning with our Finest Blueberry Hot Cross Buns, with bacon and a drizzle of maple syrup. The kids will love it! Then why not get creative and design an egg hunt, using our Easter Egg Hunt Kit. For later, I switch up the classic roast with a slow-roasted harissa lamb, with greens and crispy smashed potatoes.'
