

## **VISION**

To make the current and upcoming generation aware of the rich cultural heritage of our country... Feel proud to be an Indian... Realise that being the son/ daughter of ' Bharat Mata ' is in itself an immense inspiration to live a life of discipline and integrity, hence giving the utmost priority to serve the nation.

## **MISSION**

To help our nation become ' Atmanirbhar Bharat ' by following the principle of ' Local for Vocal ' as suggested by our beloved PM Shri Narendra Modi.

## **ABOUT US**

Do you get mesmerized when you see the Indian tricolour being hoisted on Republic Day every year ?

Do you get goosebumps when the National Anthem is played in an event ?

Do you like to call yourself a ' Deshbhakt ' ?

If all your answers are ' YES ', this has to be a dream platform for you !!

The Digital Kingmakers is a National level Digital Media marketing agency. Its one of the fastest growing online promotion agencies in India. Right from the very beginning, we have focused on the ' Nation First ' ideology, hence promoting nationalism ( rashtrawad ) to every corner of the country. We are always ready to support, and hence promote any Individual, Organization, Political Party, Film, Content or Thought having patriotic sentiments at their core.

With the constructive implementation of our ideology, we promise to serve our nation whenever needed.
