

VISION

To leave a HUGE mark in the Animation Industry, by creating the maximum number of " players " across the country.

MISSION

To inspire the current and the upcoming generations to choose the versatile field of animation as a career and hence, become the benchmark in the world of animation.

ABOUT US

Do you watch movies, web series or cartoon shows ?

Have you observed the various advertisements shown on TV these days ?

Are you still interested in computer/ video games ?

Don't you think these "stuffs" that you come across nowadays, are way different from the ones you used to see in your childhood days ?

Don't you get awestruck when you get to witness the huge contrast in ' Quality ' and ' Dynamics ' ?

We at Animation Gang help students comprehend the world of animation and multimedia... How the changes have taken place over the years... How its gonna evolve even further... and YES...

How they can contribute to this REVOLUTION as well.

So...

If you think you're delighted with the way the world is advancing, and want to make an impact from your side as well...

LET'S GET STARTED !!!
