## MANNY BARGIELA

Manny has worked as an independent technology advisor with over 20 years of experience in Technology Management and has been a Tech Entrepreneur for the last 6 years. Previously, he had corporate roles with Sony PlayStation and Clorox in Enterprise Architecture, Information Security and Business Transformation. He started his career with Deloitte Consulting where he spent over 14 years implementing solutions in the SAP ecosystem for Fortune 500 companies across industries and around the world.

## CYNTHIA STRICKLAND

Cynthia has worked in technology for over 30 years, and more specifically as a DEI (Diversity, Equity & Inclusion) Technologist for over 10 years. She's also a consultant and strategist who has helped enterprises thrive by creating an inclusive and equitable culture. As a Community Leader, she will take a closer look at How Implementing Inclusive Policies on Your Team Can Boost Engagement, Creativity, and Productivity in the workplace.
