PROFICIENCIES

GAME WRITING

+2 ARCANA

- Drafted **design document** for solo-developed RPG (*ROSETIA: A First Contact Simulation*) to communicate design goals and player archetypes
- Designed *ROSETIA* **quests** with **compelling character dialogue**, branching and player-driven ethical decision-making
- Developed **worldbuilding bible** (20,000-words) to inform construction of NPCs, barks, found lore and VisDev of alien environments
- In **Game Studies essays**, analysed player expression in *Fallout* and *The Outer Worlds*; crafted **visual mockup** of an 'ideal' **dialogue UI** for a AAA RPG

STORYTELLING

+3 DECEPTION

- Composed dozens of **short stories and poems** under mentorship of authors *Carrie Snyder* (literary fiction) and *Sarah Tolmie* (fantasy, historical)
- Wrote **creative imitations** in diverse voices (e.g. *Murakami*, *Marquez*, *Le Guin*, *Rowling*, *Donne*, etc.); can quickly analyse and adopt any writing style
- Illustrated **children's storybooks** for ESL students in *Hong Kong*; worked with fellow instructors to ensure cohesion between writing and visuals
- Served up sensible **writing advice articles** with wit and whimsy for *UWaterloo's Writing Centre*

PROFESSIONAL WRITING

+4 PERSUASION

- Pitched and penned story-driven **video scripts** for *Aperture*, a science philosophy YouTube channel with 1.9 million subscribers
- Published **journal article** on death-mirror symbolism in the *Harry Potter* series via *Mythlore*: a peer-reviewed publication of fantasy scholarship
- Interviewed quantum physicists to transform their research into accessible **stories, news articles and web ads** for the *Institute for Quantum Computing*
- Wrote pithy **print copy** for 2018 *UWaterloo* Viewbook, engaging prospective students while adhering to brand's voice and style-guide
- Oversaw **proofreading** process for entire Viewbook to ensure constructive editing between dozens of university stakeholders

INTERPERSONAL COMMUNICATION

+3 INITIATIVE

- Adapted to **foreign workplaces** in *Hong Kong* and *South Korea* with ease; can bridge cultural, lingual and social barriers to work effectively within days
- Assembled **bi-weekly writing group** of former creative writing classmates; provided edits, structure, and prompts for each session
- Led hundreds of **tutoring sessions** to improve the writing of university students; showed "outstanding patience and care" even in mystery-shopper evals
- Planned **community events** and **mental health meetings** for 40+ undergrads as a university Residence Don; recieved 98% student approval
