

Pauline Yang

Goleta, CA 93117 | (650)-201-6975 | paulineyang@ucsb.edu

EDUCATION

University of California, Santa Barbara

Anticipated Graduation: June 2022

Bachelor of Science in Biopsychology, Minor in Professional Writing

EXPERIENCE

UCSB TALE Lab - *Researcher Assistant, Honors Thesis Student*

June 2020 - Present

Santa Barbara, CA

- Assists Dr. Nicole Albada in exploring the relationship between autobiographical memory and psychosocial wellbeing.
- Previously worked with Dr. Albada on her project exploring the functions of personal stories in discussion forms for classes online that occurred during the pandemic.
- Currently working on an honors thesis focused on how sharing autobiographical stories can impact patient and physician relationships.

Goleta Valley Cottage Emergency Department - *Screeener*

September 2021 - December 2021

Goleta, CA

- Performs temperature checks, asks covid screening questions, and supplies screened patients with a mask prior to entering the Emergency Department.
- Is the first person patients see when entering hospital, so must maintain a friendly, calm, and reassuring disposition.
- Directs people to the correct route based on whether they pass the screening.

Stanford Clinical Neuroscience Immersion Experience - *Staff mentor*

July 2019 - August 2021

Stanford, California

- Assists head directors of Stanford's Department of Psychiatry and Behavioral Science in running high school programs for domestic and international students.
- Mentors students with their innovative capstone projects relating to neuroscience and/or mental health that they present at the end of the program.
- Facilitates lecture discussions regarding psychology, psychiatry, and neuroscience for students ranging from ages fifteen to eighteen.
