

## The Wells Pharmacy Network introduces...The Wells Advantage Program!

WPN has just launched a new initiative...The Wells Advantage Program. This innovative Program consists of a variety of patient-prescribed product kits aimed at helping individuals maintain personal wellness. In launching the Program, five specific kits have been created and released in the weight management, immune health, and sexual health categories. Here's a look at those programs:

### "Lose it Right" (Injectable)

This combination of injectable and orally-administered drugs may help pave the way for weight management! Consisting of four proven products, "Lose it Right" provides a potent formulation that may help achieve weight loss goals in a healthy, timely fashion!

**Products:** TRIMTROPIC – Methionine/Inositol/Choline Chloride/B-Complex (B2, B3, B5, and B12(M))/Chromium Pic/Carnitine; CJC-1295/IPAMORELIN; CARNITINE-L

### "Lose it Right" (Oral)

These oral medications help provide the foundation you may need to reach your weight loss goals and optimum health!

**Products:** GOAL (Glutamine/Ornithine/Arginine/Lysine); SERMORELIN/IPAMORELIN/THEANINE

### Immune<sup>4</sup>

This combination of four clinically-demonstrated products may help to support immune response, prevent infection, and reduce inflammation.

**Products:** THYMULIN; B-COMPLEX (B2,B3,B6,B12) + VITAMIN C; ZINC PICOLINATE; VITAMIN D3 IN SESAME OIL

### Revive Your Femininity!

This kit offers a combination of three products that may help enhance sexual satisfaction by increasing libido, drive, and desire!

**Products:** OXYTOCIN/TADALAFIL; EROS (nasal spray); SILDENAFIL/AMINOPHYLLINE/ARGININE

### Revive Your Masculinity!

Improving sexual function makes life that much better! The "Revive Your Masculinity" kit consists of a pair of products that may help enhance sexual satisfaction by increasing libido, drive, and desire!

**Products:** OXYTOCIN/TADALAFIL; EROS (nasal spray)

People are now taking their health and overall wellness more seriously than ever! You can help them reach their health and fitness goals and add a new and sustainable revenue stream to your practice by prescribing these proven **Wells Advantage Program** kits to your patients!
