## PETRON MALAYSIA SCORES HISTORIC WIN AT 42<sup>nd</sup> MSOSH AWARD 2024

*Record-breaking recognition reflects Petron Malaysia's Commitment to Occupational Safety and Health Practices*

**KUALA LUMPUR** – At the recent **42<sup>nd</sup> Malaysian Society for Occupational Safety and Health (MSOSH) Award** ceremony held on 11 November 2024 at Sunway Resort Hotel, Petron Malaysia reached a new milestone after securing a record-breaking **15 awards across its operations**. Faridah Ali, General Manager of Petron Malaysia, also received the President Award for her outstanding leadership in the Occupational Safety and Health (OSH) performance.

Petron Malaysia received the prestigious **Platinum Award** for its Kuantan Terminal and the **High Achiever Award** for its Bagan Luar Terminal. Platinum is the highest category of the MSOSH award, which has not been awarded since 2007, while the High Achiever is awarded in recognition of excellence in detailed and transparent audited results. In total, Petron received **one Platinum Award, one President Award, one High Achiever Award, five Grand Awards, two Gold Merit Awards, and five Gold Class 1 Awards** at the MSOSH Award 2024.

The Company also became the first oil and gas company to be awarded the **Gold Class 1 Award** for four of its retail service stations under the category of The Petroleum, Gas, Petrochemical and Allied Sectors.

Faridah Ali, General Manager of Petron Malaysia said, "These awards underscore our commitment to prioritising safety and health in our daily operations, as we consistently strive for a record of zero lost-time injuries (LTI). The MSOSH award recognises 2 of our internal core values: **Excellence and Safety**. This win is a testament to our dedication to these values in every aspect of our operations. At Petron, we always aim to achieve greater heights in our OSH performance. The discipline instilled in our Petron Operations Integrity Management System (POIMS) has been

pivotal to our success. We take pride in being the sole recipient of the Platinum award among numerous Malaysian companies assessed."

To achieve these accolades, Petron Malaysia underwent extensive evaluation, including document reviews and site audits conducted by a panel of qualified auditors. The assessments, which took place between June and July 2024, involved a wide range of OSH experts from various sectors and covered the full-year review of 2023.

First introduced in 1982, the annual MSOSH Awards recognise organisations in Malaysia that demonstrate outstanding performance in occupational safety and health (OSH). The awards honour those who proactively and continually improve OSH performance through effective safety and health management systems.

In 2023, Petron secured nine awards at the 41st MSOSH Awards, including three Grand Awards, three Gold Merit Awards and three Gold Class 1 Awards, and. These accolades further emphasise the Company's steadfast commitment to health and safety for its employees and the community. As Petron continue its journey toward operational excellence, safety remains the foundation of our commitment to a sustainable future.
