System Navigation Bar - The Basics

eLogic Genesis Team

1 year ago · Updated

Follow

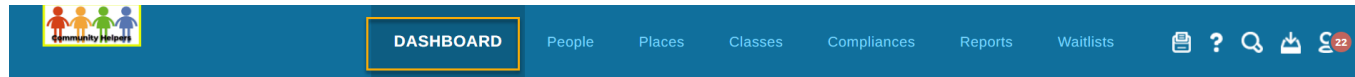

The System Navigation Bar is the topmost bar on the eLogic Genesis home screen and is always accessible during a session. When logging into your account, the tabs on the System Navigation Bar change according to your role. If you do not see one or more tabs described below, your agency admins have disabled that tab for your role.

Scroll below to see more information about a tab on the System Navigation Bar.

Support

Dashboard

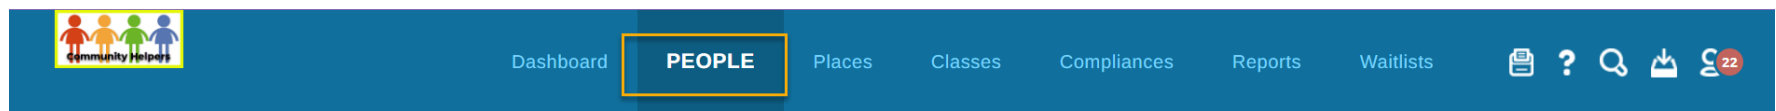

The Dashboard tab helps keep your caseload organized by displaying client events and due dates in one place.

- For more in-depth information on this tab, click [here](#).
- To watch a video walkthrough of how the Dashboard works, click [here](#).

[back to top](#)

People

When logging into your account, the People tab will be displayed by default. The People tab stores all personal records in eLogic Genesis, whether client or navigator records.

- For more in-depth information on this tab, click [here](#).
- To watch a video walkthrough of how the Dashboard works, click [here](#).

[back to top](#)

Places

The Places tab stores all Employers, Referral Agencies, and Educational Institutions that have been created in eLogic Genesis.

- For more in-depth information on this tab, click [here](#).

[back to top](#)

Classes

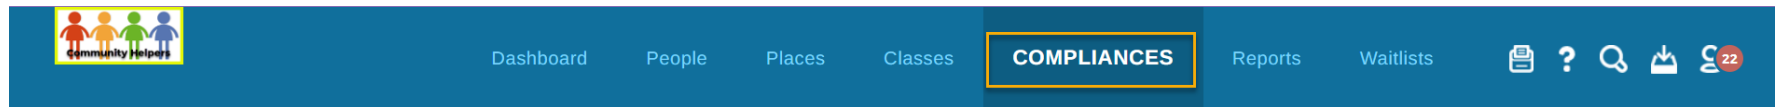

Note: A role permission from an Agency Admin is required to view this tab.

The Classes tab makes it possible to record registrants and take attendance for any classes or training your organization offers.

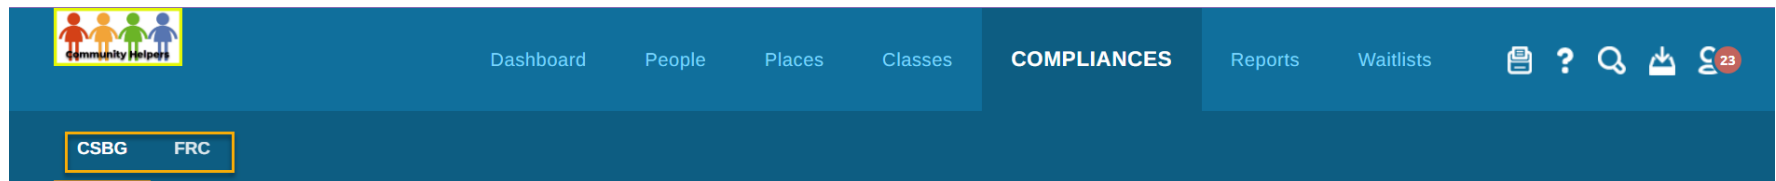

- For more in-depth information on this tab, click [here](#).
- To watch a video walkthrough of how the Dashboard works, click [here](#).

[back to top](#)

Compliances

The Compliances tab stores data about **CSBG** and **FRC** compliances. Note that the Compliances tab is only accessible to **admins** or **users with special permissions**.

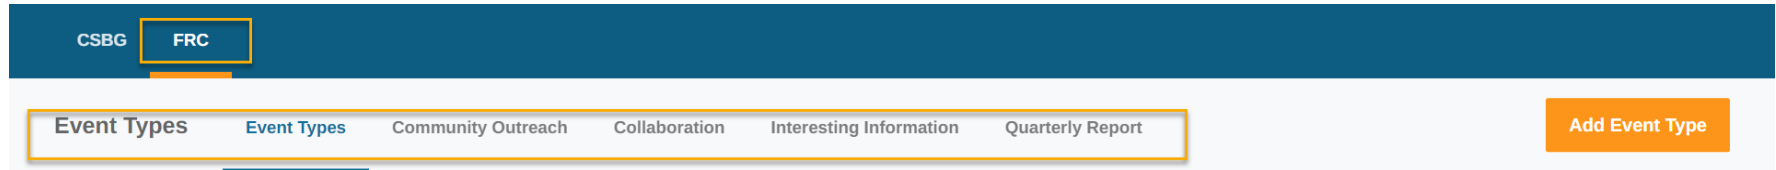

Permissions for different subtabs can be **controlled independently**.

Under the CSBG subsection, you'll see Financials data, Standards data, the Module Two Form, and the Tripartite Board Manager.

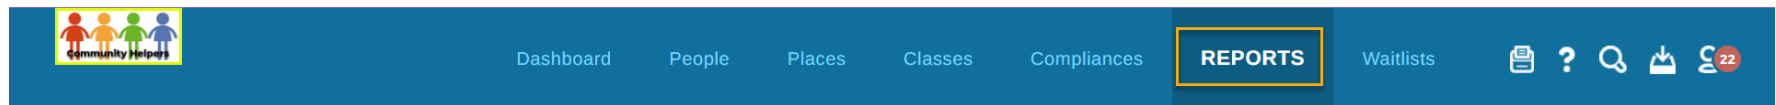

- For instructions on completing the Module Two Form, click [here](#).

Under the FRC subsection, you can find data about Event Types, Community Outreach initiatives, Collaboration efforts, Quarterly Reports, and any additional Interesting Information.

[back to top](#)

Reports

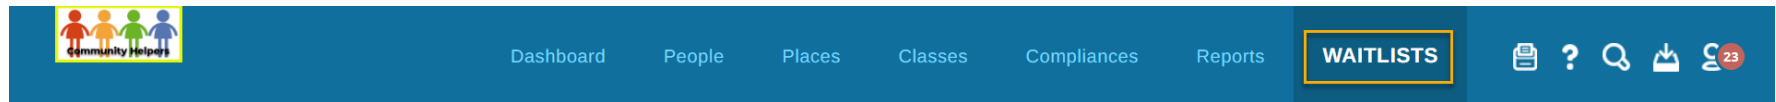

The Reports tab stores organization-level reports such as System Reports, Custom Reports spreadsheets, and statement-based Ad Hoc Reports.

- For more information on this tab, click [here](#).

[back to top](#)

Waitlists

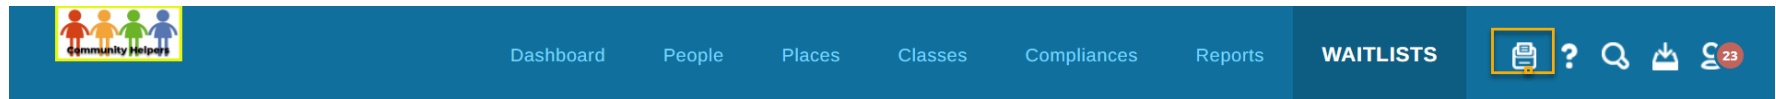

The Waitlists tab stores your agency's Global Invitation (Client Portal only) and Program Waitlists (as established by an Agency Administrator).

- For more information on this tab, click [here](#).

[back to top](#)

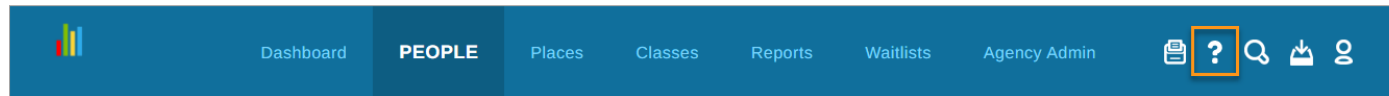

Print

The Print icon appears to the right of the Waitlists tab. Click on the Print icon to print the current screen.

[back to top](#)

Help Center

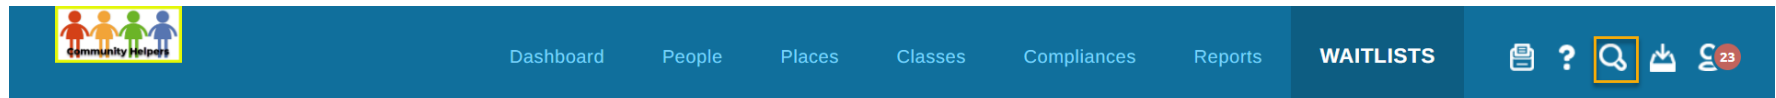

The Help Center icon appears as a question mark to the right of the Print icon. Click on the Help Center icon to visit the Help Center homepage.

From the Help Center homepage, you can search for instructional articles or videos by both keyword and category. You can also submit help tickets for review by eLogic Genesis User Support.

Global Search

The Global Search symbol (magnifying glass) is the third icon on the system navigation bar, and it is used for finding client or navigator records. When you click on the icon, a screen overlay prompts you to enter specific criteria for locating different records.

How to locate a record:

1. Click the Global Search icon - *a screen overlay will appear.*

2. Enter any of the search criteria below:

- First name
- Last Name
- Display Name
- Address
- Phone number
- Case Number
- Birth date
- Email address (as it is entered in the record)

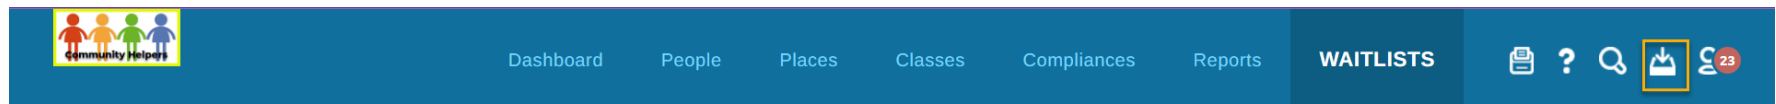

3. The overlay will display all client and navigator records with matching information below.

4. Click **View record** to open the record.

Click [here](#) to watch a video walkthrough of how the Global Search Feature works.

Report Notifications Tray

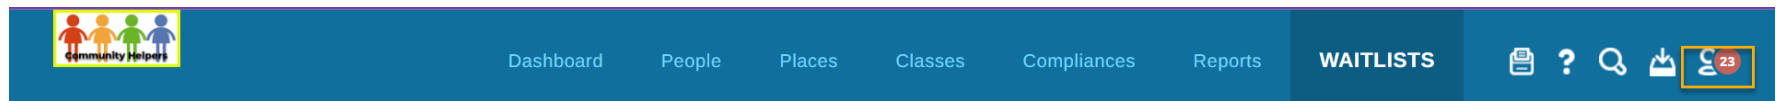

The Report Tray icon appears as a tray symbol to the right of the Global Search icon. The Report Tray icon will display a notification when it is time to run any Custom or Ad Hoc reports that have had a reminder set.

- Read more about Saved Reports [here](#).

[back to top](#)

User Menu

The User Menu appears as a user symbol to the right of the Reports Tray icon. Click on the User Menu icon to view any notifications or outstanding referrals. You'll also see a dropdown menu you can use to change your password, create a personal note, view your calendar or log out of eLogic Genesis.

- Read more about the User Menu feature [here](#).
