

Do I have to spell it out?

Give me a word.

Any word.

There's a gate in my mind.

A sphinx asks for a

Password.

One word.

How many letters,

you ask?

Don't focus on the technicalities

and Save the princess,

Dumb f\*\*\*.

One word.

No tricks.

I'm simple.

So are you.

“Open.”

And I sing you a soliloquy.

You'll never reach me.

Enjoy the show.
