PROFILE

Colin Linneweber is an experienced writer who creates content for renowned television networks, Fortune 500 companies, and multiple industries.

In April 2012, Linneweber launched a sports website and served as its lone contributor. By using SEO techniques to drive organic traffic, the site attracted 2.1 million unique visitors and garnered 2.4 million page loads over 22 months before being sold to FOX Sports Digital.

Linneweber, who produced online material for Yahoo! Finance, Business Insider, Modern Metals, CBS Sports, and the New England Sports Network (NESN) among prominent media outlets, works as a freelance copywriter and editor.

PROFESSIONAL EXPERIENCE

Senior Content Creator & Lead Editor 9/2020 to Present
Paige Black, Denver

Create content, including speeches for C-level executives, blogs, B2C marketing collateral, B2B case studies, newsletters, emails, social media, text messaging marketing, meta descriptions, and more for clients from multiple industries. Edit all the chief marketing officer's (CMO) content prior to distribution. Manage two interns from the University of Denver and ensure their content gets submitted by its deadline and that it's grammatically flawless.

- Created content for a client in the construction sector that was featured in Yahoo! Finance.
- Wrote a blog for a client in the manufacturing industry that went viral and generated 1.1 million page views.

Broadcaster & Editor 12/2018 to 9/2020
Xinhua News Agency, Beijing, China

Created online content scripts and conducted its broadcasts and voice-overs. Interviewed a diverse variety of individuals and broadcasted news topics relevant to China. Assisted with editing and electronic publishing of news articles and supporting documents.

- In 2019, when combining its main website, YouTube and Facebook, established Xinhua's all-time record by averaging 2+ million views per feature broadcast.

Lead Reporter & Editor 1/2018 to 12/2018
Chicago News, Chicago, IL

Supervised a team of 12 freelance writers. Produced press releases and assisted in all phases of print and electronic publishing. Created and managed editorial calendar. Reported on multiple genres and interviewed politicians, C-level executives, actors, athletes and the general public.

- Wrote over 90% of the weekly newspaper's digital content, boosting its website traffic by 35% and audience retention by 62% within one fiscal year.

Feature Writer & Assistant Editor 8/2015 to 12/2017
Trend Publishing Inc., Chicago, IL

Developed print and digital content for metal fabricating and forming technologies. Managed editorial calendar and helped with print and electronic publishing. Interviewed executives for key writing assignments, press reports, business reports, and B2B case studies. Contributed to news coverage in print, online, and trade journals.
