EDUCATION

Environmental Engineering, Faculty of Civil, Environmental, and Geo Engineering, Institut Teknologi Sepuluh Nopember

Year of education: 2014 – 2018; GPA 3.31 of scale 4.00. Since the 4th semester, I got a full scholarship from The Ministry of Education and Culture.

Title of thesis: Electronic Waste Management in Surabaya Government Office.

WORKING EXPERIENCE

Freelance Writer (June 2018 - Present)

I joined as freelance writer for my former lecturer since before I graduated. During my work, I assisted in writing of 3 books about Environmental Outlook, Environmental Management and Engineering, and Environmental Setting, as teaching materials for Civil Engineering students. I also worked in analyzing research data to creating report or proposal for paper submission. I assisted in making of presentation about environmental issues for public webinar and student seminars.

ORGANIZATIONAL EXPERIENCE

Communication and Information Head Department, Indonesian Environmental Engineering Student Association (March – December 2016)

As a department head, I took responsible of social media as organizational image branding. With 13 staffs, I managed to publish yearly magazine about sustainable development goals called I-Magz for all campuses and stakeholders. I created social media content as information about environmental opinion, news, greeting card, press release and gained 1,000 instagram followers, 500 views for YouTube videos. I also took initiate in website making as a centered information and external branding.

Creative News Sub Head Department of Communication and Information, Environmental Engineering Student Council ITS (August 2016 – June 2017)

My role is to supervise the news campaign in internal campus. I managed to publish environmental magazine named E-Magz, and 4 bulletins called GREENFO as editor in chief. E-Magz and Greenfo were distributed for departments at ITS campus and for stakeholders. I also worked in news editing about campus event, held a basic media journalistic workshop for students, and wall magazines.
