January 28, 2022

Dear HOLA community,

While 2021 was a year of moving forward and healing, within our community and beyond. We at HOLA believe that 2022 is a year for our communities to thrive and be excited for what's to come.

As many of you are aware, we are nearing completion of the Hispanic Community Center and Commercial Kitchen Incubation in Painesville. The community center has been a dream of ours and we are thrilled about the difference it could make in the lives of our local Latinx community.

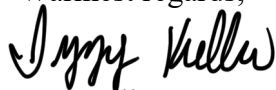

We could not have achieved such great work without the assistance of our HOLA sponsors and volunteers. A cause worthy of celebration, we are asking our HOLA supporters to mark the occasion with us. We are selling tickets to our grand opening celebration dinner, which will be at the Hispanic Community Center in Painesville.

Ticket prices:

- A \$50 ticket includes:
 - The cost of dinner
 - A free HOLA t-shirt
- A \$100 ticket includes:
 - The cost of dinner and a free HOLA t-shirt
 - Giftcards donated by Mexican restaurants around Painesville
 - A cookbook with recipes from HOLA employees and volunteers
- A \$150 ticket includes:
 - All previously mentioned benefits
 - A memorial brick with an inscription of your choice to be placed within the community center's walkway.
 - A chance to win a unique, traditional piece of artwork from Mexico

All proceeds from ticket sales go towards programming and services offered at the community center. To save your seat, fill out the below slip and send it to HOLA's P.O. Box **before March 14th, 2022**.

Warmest regards,

Izzy Keller

HOLA Communications Director
