INT. DOCTOR'S OFFICE - DAY

A man sits while getting his vitals checked by a doctor. He shows him his 23 and me health reports on his phone and the two have a thoughtful conversation about them.

NARRATOR (V.O.)

With over 125 genetic reports, we've helped you stay conscious of your health. But we wanted to give you more assurance. That's why the makers of 23 and me have developed a new program that give you an even closer look at what makes you YOU. Welcome to 69 and mine. A genetically based test that provides deeper insight on what greases your hog.

CUT TO:

INT. KITCHEN - DAY

MARK sits in his kitchen with his 23 and me kit, and an unopened box labeled 69 and mine.

MARK

So how does it work? Do I just spit into a vial?

NARRATOR

Spitters are quitters. Simply send us a box of your dirty underwear and our top-tier scientists will extract the DNA.

CUT TO:

INT. LABORATORY - DAY

A scientist in a coat and gloves picks up a pair of dirty briefs and inhales deeply.

NARRATOR

Within two weeks, you'll receive an email with your sexual profile.

CUT TO:

INT. LIVING ROOM - DAY

JESSICA sits on her couch sipping tea and scrolling through her profile on a laptop. Her teenagers sit next to her and look on.

JESSICA

69 and Mine was the perfect holiday gift for my family. Now my kids don't have to go through years of questionable experimentation in college to figure out they have daddy issues and a foot fetish!

JESSICA and her kids click on different reports in awe.

NARRATOR

69 and mine covers everything from basic kinks like spanking to extreme fetishes like having a morbidly obese man slap you in the face with raw beef while he brands your ass with a hot spatula.

CUT TO:

INT. MCDONALD'S KITCHEN - DAY

Morbidly obese RON slips patties behind the grill wearing clown face paint and a full Ronald McDonald costume.

RON

(Grinning)

Who's your McDaddy?

CUT TO:

EXT. BACKYARD - DAY

CHRIS is gardening in his yard.

CHRIS

Thanks to 69 and mine, I learned that I will die by erotic asphyxiation.

CUT TO:

INT. FOYER - DAY

A family sits around the Christmas tree and clicks on a diagram of a family tree.

NARRATOR

Not only that, but we provide an ancestry report with detailed relative profiles.

HANNAH waves her parents over.

HANNAH

Mom! Dad! Look! Our family tree!

TINA

Oh, how fun! Look there's your father. Let's click on him.

TODD

No, I don't think we...

TINA

Oh, Todd. We've been married 30 years. I think I know what you like.

TINA winks at Todd. He's visibly sweating.

HANNAH

This says that dad is
(voice raises
questionably)
A "total cock-hunry bottom bitch"?

TODD

(Playing it off)
That must be a misprint!

HANNAH

It says that they had to add another number on the Kinsey sexuality scale for you?

TODD

(fake laugh)
This is absurd.

HANNAH

There's a video of you in a jock strap on a beach in Mykonos.

TINA

You told me that was a boys trip.

TODD
It sure was.

TODD winks at the camera.

CUT TO:

INT. BEDROOMS - NIGHT

Flash to three different characters in their bedrooms opening boxes.

NARRATOR
But the deal doesn't stop there!
Order right now and we will send
you the perfect toy based off your
genetic profile.

MARK
I got handcuffs!

JESSICA
I got a paddle.

TINA
I got a...loaded gun?

NARRATOR
69 and Mine. It's not ew - it's
you!

BLACK OUT.
