JOURNALISM EXPERIENCE

Freelance Multimedia Journalist

October 2023 - Current

Cambridge Day | Somerville & Cambridge, MA

- I currently write freelance articles on local politics in Somerville and Cambridge. I also take photos for the publication.

News and Features Reporter

November 2022-August 2023

Essex Media Group | Lynn, MA

- I wrote for multiple publications housed under Essex Media Group including The Daily Item, Marblehead Weekly News, 01940 The Magazine and others.
- For the Item, I was a beat reporter covering the City of Lynn and the towns of Swampscott, Nahant, and Marblehead. I produced two articles a day, five days a week ranging from breaking/hard news to feature stories. During my time at EMG, I wrote around 350 articles between 7 different publications.

Features Editor

December 2021-May 2022

The Daily Free Press | Boston, MA

- I ran the entire features section while also writing articles for the section during the Spring 2022 semester.
- I ran pitch meetings every week with my associate editors and organized the budget for weekly publishing, around 7-13 articles a week.
- Edited every article sent into my section. This includes fact-checking, AP style corrections, fixing structural issues and simple grammar corrections.

Journalist - Senior Features Writer

January 2021-December 2021

The Daily Free Press | Boston, MA

- I was a senior writer on the features team writing articles with 3+ sources on a week-long deadline. I went to pitch meetings every week with the rest of the team and regularly collaborated with my editors.

Student Journalist

June 2021-July 2021

The Boston Globe | Boston, MA

- As part of my Reporting In-Depth summer course, I pitched and wrote articles for the Newton section of The Boston Globe. I had three articles published in the Globe that ranged from stories about art, history, and higher education.

Staff Reporter

January 2022-May 2022

Boston University News Service | Boston, MA

- As part of my degree requirement, I took a class that pitched, wrote, edited and published articles for Boston University News Service.
- I worked in a team of 5 people switching sections every two weeks. The sections were features, news, enterprise and multimedia.
