Menomonee Falls, WI

I'm currently working on: Educating and entertaining the public with articles I publish, and pursuing more experience within the media production industry. My current projects require: gathering and validating information, determining newsworthy stories, and extracting relevant information to organize for readers.

Education

Journalism, Advertising, and Media Studies

University of Wisconsin- Milwaukee • Milwaukee, WI

Current GPA of 3.35

Published an article for Media Milwaukee about how the COVID-19 pandemic has affected local musicians.
