Establish a Better Path Forward for Health and Safety Protocols

Which surface products are best for classrooms? The difference is right on the label.

You may be surprised to learn that many common surface products come with risks. Possible lung irritation. Requirements to wear gloves. It's all right on the label if you know where to look. Download our free education eBook to learn more about EPA toxicity ratings.

No need to worry about labels with the PURELL® brand. Our Surface Disinfecting Spray and Wipes have no precautionary statements, so teachers and staff can use them with confidence.

**NO PRECAUTIONARY
STATEMENTS**

**NO HARSH
CHEMICALS**

**NO GLOVES
OR PPE**

**PEACE OF
MIND**
