Pre-Event Kit

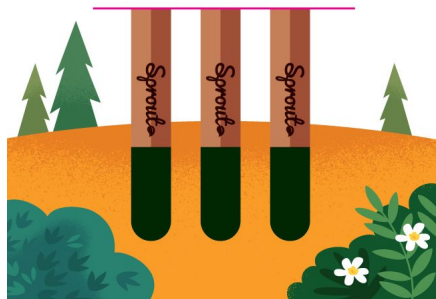

Let's get growing.

Plants from pencils?

That's right – plant a green mindset and keep the inspiration growing.

Once you're finished with your Sprout pencils, plant them and watch them grow. Because you bring small everyday items and big thinking together.

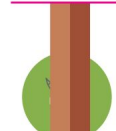

Front

LET'S MAKE THE WORLD *Sprouts*

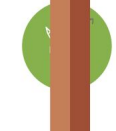

Plant in pot with saucer in good moist potting soil.

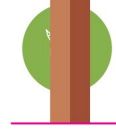

Plant in pot with saucer in good moist potting soil.

Water in saucer to keep soil moist.

20°C room temperature. Avoid direct sunlight.

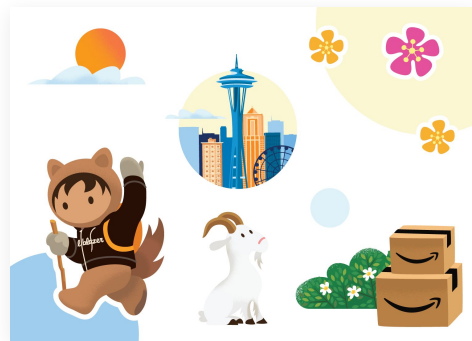

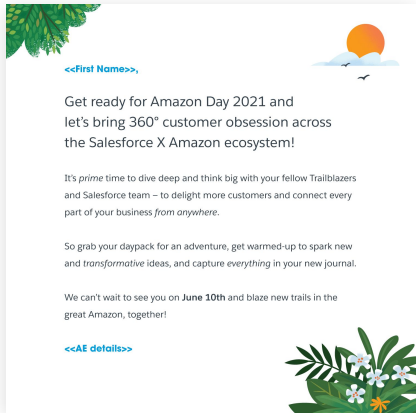

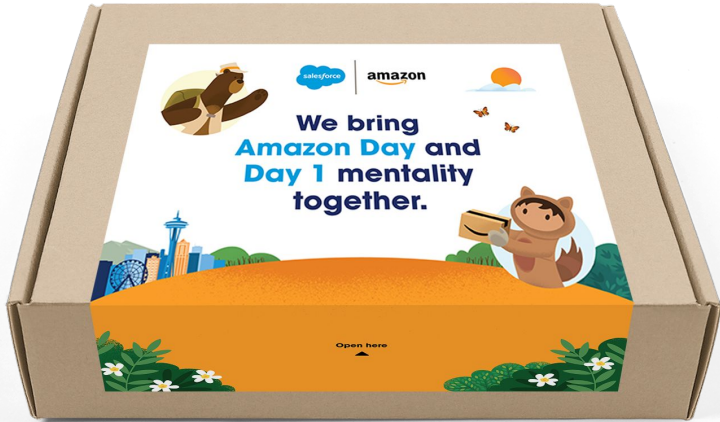

With weekly watering, plant will produce small green sprouts.

Calling Amazonian Trailblazers: Amazon Day is here.

Body

<<First name>>

Experiencing cabin fever? It's time for a virtual trailblazing adventure.

You're invited to join Salesforce and your fellow Amazonians, as we dive deep into the Salesforce X Amazon ecosystem.

It's a full day to learn and get curious about your roadmap to innovation. You'll also connect with and get inspired by trailblazing Amazonians across teams, divisions, and borders — for the full picture.

Let's bring customer obsession and big thinking *together*, by bringing out the best in each other.

[Save your spot](#)

P.S. First 225 registrants receive an adventure kit!
