

## UCLA JEOPARDY

*Jeopardy theme song and logo come in. We see the show host, Anthony.*

**Anthony:** Hello, everyone. This is UCLA Jeopardy, the only game show where winners use the prize money to pay for tuition. I'm your show host, Anthony, and I only do this so I can skip class. I'm tired of life. Let's meet our contestants, shall we? We have Sarah...

*Camera pans to Sarah, who looks happy to be there.*

**Sarah:** Heyyyyyy! Oh my God thanks for having me, I'm so happy and grateful for this opportunity, I wanna thank my mom, my grandma, my aunt, and my cous-

**Anthony:** That's it, thank you, Sarah. We also have Tank.

*Camera pans to where Tank is supposed to be, but he's not there.*

**Anthony:** Tank? Tank? Where are yo-

*Tank joins the game with a bottle of tequila under his arm, which he takes a sip from.*

**Tank:** WHAT'S UP! WHO WANTS SOME TEQUILA?!

**Anthony:** Tank, the game started 5 minutes ago. Where have you been?

**Tank:** You know, bro, I was doing my own thing, bro, just enjoying life and stuff, bro, why are you so up in my ass, bro?

*A beat.*

**Anthony:** Okay, bro. And finally, we have Rob and Danny.

*Camera pans to Rob and Danny, who share the same space at the same time.*

**Rob and Danny (both):** Hey! Thank you for having us!

**Rob:** We are so happy because after we win this, we're gonna use the money to go hiking, you know?

**Danny:** That's right, man, we're just weekend warriors trying to do a yo-yo and not end up who whops, it's just the summit fever and all the gains you get from going peak bagging.

**Rob and Danny (both):** You know what I'm saying?

**Anthony:** Definitely not. I have no idea. That wasn't English, I'm afraid. You know what, why don't we just take a look at the categories? Alright, we have...

*We see each category on screen as Anthony mentions it.*

**Anthony:** “Famous orphans”. “Things you shouldn’t spend your money on”. “Never do this during a breakup”. “Only an influencer would do this”. “My father used to say”. and finally, “A number that starts with the letter o and ends with the letter e”. Sarah, why don’t you pick a category?

**Sarah:** Oh my GOD! OF COURSE! I would be SOOOOO glad to pick a category and play it, and it’s totally okay if I don’t win, what I’m trying to say is-

**Anthony:** Just pick it, please.

**Sarah:** Alright, let’s do “Famous orphans” for \$200.

**Anthony:** And the answer is... “This kid went on to save the magic world despite watching his parents die at the hands of his enemy”.

*Sarah buzzes in.*

**Anthony:** Sarah.

**Sarah:** You know, I think death is a fantastic experience to initiate a positive life change despite being a sad event. It’s so happy to see that this kid got his life around despite experiencing something so, so, traumatic, oh my God, I’m so sor-

**Anthony:** Sarah, the answer.

**Sarah:** Oh, yes, I have no idea haha.

*Tank buzzes in.*

**Anthony:** Tank.

**Tank:** Titties. Boom. YEAH!

**Anthony:** That’s... Not an answer. Rob and Danny, please just pick another category.

**Rob:** Oh my God, yes.

**Danny:** Let’s pick one at the count of three, alright?

**Rob and Danny:** One, two, three...

**Rob:** “Things you shouldn’t spend your money on”.

**Danny:** “Never do this during a breakup”.

**Rob:** Danny!

**Danny:** Robby!

**Rob and Danny (both):** We have to pick the same! Haha. Okay, one, two, th-

**Anthony:** The category is “Things you shouldn’t spend your money on” for \$400.

**Rob and Danny (both):** Okey dokey!

**Anthony:** And the answer there is... “It’s Mexican and can cause you a hangover”.

*Tank buzzes.*

**Anthony:** Tank?

**Tank:** TEQUILA!

**Anthony:** YES!

**Tank:** No, I mean, WHO WANTS A SHOT?

**Everyone:** YEAH!

**Anthony:** NO! What’s your answer to “It’s Mexican and can cause you a hangover”?

**Tank:** Uh, have no idea, bro, haha.

*Rob and Danny buzz in.*

**Anthony:** Rob and Danny?

**Rob:** Losing your alpine start while hiking El Pico del Lobo in Guadalajara.

**Danny:** THAT’S BEAT! NO MATTER HOW MUCH CACHE YOU BRING, YOU’RE ALWAYS TERRIBLE!

**Rob:** That’s why you’re my ground control, Danny.

**Danny:** Rob, YOU ARE my ground control.

**Anthony:** ENOUGH! Oh my God, one more chance, whoever wins the next category, wins Jeopardy, okay? The category is “A number that starts with the letter o and ends with the letter e”.

*Sarah buzzes in.*

**Anthony:** Sarah?

**Sarah:** A million!

**Anthony:** NO! OH MY GOSH!

**Sarah:** At least I had fun haha, it's a journey, you gotta enjoy it, embrace it, feel it!

*Rob and Danny buzz in.*

**Anthony:** Rob and Danny, better be a good answer beca-

**Rob and Danny:** Scroggin!

**Anthony:** NO, WHAT THE HELL IS THAT?

**Rob:** Come on, silly, it's a mix of nuts, dried fruit, and chocolate, all mixed together.

**Danny:** Delicious!

*Tank buzzes in.*

**Tank:** WHO WANTS SHOTS?

**Everyone:** YEAH!

*Tank starts giving everyone tequila shots.*

**Anthony:** I-I just can't.

*Anthony leaves the studio. Everyone is dancing and drinking as we fade to black. The end.*
