

WHAT'S THAT?

Guy #1 and Guy #2 are sitting on the couch, watching TV.

The doorbell rings.

Guy #1 stands up, and comes back after a few seconds with a box in his hands. The box isn't particularly big.

He places it on a table right in front of the couch, obstructing the view of the TV, and looks at Guy #2.

Guy #2: Oh no...

Guy #1: Yep. Another one.

Guy #1 opens the box.

Guy #2 gets up from the couch, and now they're looking at the inside of it. We see their confused faces as they look down at the content of the box.

Guy #1: Hmm. Interesting...

Guy #2: What is it?

Guy #1: I don't know. Try poking it.

Guy #2: No, are you mad? (*push Guy #1 away a little bit*). We need to stop getting these boxes!

Guy #1: Why?

Guy #2: Why?! Really? Remember the first time we opened one of these?

Camera cuts to the same shot of the couch, with Guy #1 and Guy #2 sitting on it, watching TV. They're wearing early 2000s clothes.

Insert (bottom left of the screen): "September 11, 2001".

The doorbell rings.

Guy #1 stands up, and comes back after a few seconds with a box in his hands.

He places it on a table right in front of the couch, obstructing the view of the TV, and looks at Guy #2.

Guy #1 opens the box.

Guy #2 gets up from the couch, and now they're looking at the inside of it.

Guy #2: What is it?

Guy #1: I don't know. Try poking it.

Guy #2: Okay.

Guy #2 pokes the inside of the box.

We hear the incredibly loud sound of an explosion coming from outside of the house. They look at each other in clear confusion.

The TV sound is interrupted by the voice of a news reporter.

News reporter: Two hijacked airplanes have crashed into the North and South towers of the World Trade Center complex in Lower Manhattan.

Guy #2: WHAT?

(We come back to the same shot we've left at the present day).

Guy #1: Oh. That was bad.

Guy #2: Yet, you want me to poke at this thing again: you're completely out of your mind!

Guy #1: Well, as the great Charles Mason said once, "sanity is a small box; insanity is everything".

Guy #2: Oh my god, stop using Pinterest quotes to justify your bullshit!

Guy #1: Okay, ignore my wisdom as long as you want, but these boxes aren't thaaaaaaaat bad! What about the SECOND time we opened one of these?

Camera cuts to a shot of Guy #1 standing up from the couch, and coming back with a box in his hands. Guy #2 gets up from the couch, and now they're looking at the inside of it.

Once again, they're wearing early 2000s clothes.

Guy #2: What is it?

Guy #1: I don't know. Try poking it.

Guy #2 pokes the inside of the box.

The doorbell rings.

Guy #1 stands up, and comes back after a few seconds with a pizza box in his hands.

Guy #1: Bro, this is literally the best day of my life.

Guy #2: Holy crap, this is awesome!

Guy #1: Let's eat the hell out of this pizza!

Both guys leave the shot with the pizza box. They leave the TV on, and as soon as they leave, we hear the voice of a news reporter.

News reporter: The tropical storm that started yesterday at the coast of Florida strengthened into a Category 5 hurricane! I repeat, yesterday's tropical storm is now called Hurricane Katrina, and it's expected to affect a great number of cities in the southeastern United States!

Cut to the present day.

Guy #2: Oh, well, that wasn't so bad.

Guy #1: And what about the third time we received a box like this?

Camera cuts to a shot of Guy #1 standing up from the couch, and coming back with a box in his hands. Guy #2 gets up from the couch, and now they're looking at the inside of it.

This time, they're wearing an early 2010s style.

Guy #2 pokes the inside of the box.

The doorbell rings.

Guy #1 stands up, and comes back after a few seconds with a pizza box in his hands.

Guy #1: IT'S A PEPPERONI ONE!

Guy #2: YEAAAAH!

Both guys leave the shot with the pizza box. They leave the TV on, and as soon as they leave, we hear the voice of a news reporter.

News reporter: Indian filmmaker M. Night Shyamalan is set to direct "The Last Airbender", a live-action adaptation of the popular Nickelodeon's TV show.

Cut to the present day.

Guy #1: You see? I told you!

Guy #2: Well, you're right, but we cannot use a few good days to excuse all the bad things that have happened since we started to receive these boxes! What about Kanye?

Guy #1: Oh my god, we made him a favor! He met that Kardashian girl and now his life is better than ever!

Guy #2: He went completely nuts!

Guy #1: And is also a genius!

Guy #2: He interrupted FREAKING TAYLOR SWIFT IN THE MIDDLE OF HER SPEECH!

Guy #1: THAT WAS A CULTURAL RESET!

Guy #2 is clearly frustrated.

He walks around with his hands covering his face. He suddenly stops, then looks at Guy #2.

Guy #2: Jeffrey Epstein.

Guy #1: What about him?

Guy #2: You know what happened to him.

Guy #1: He...kil...?

Guy #2: NO HE DIDN'T YOU MORON! And it was all because of us! All because we cannot stop poking those stupid boxes! I feel so bad... Like, really...

Guy #2 starts crying. Guy #1 hugs him.

Guy #1: Relax, bro. As Abraham Lincoln once said, "You either die a hero, or live long enough to see yourself become a villain.". I guess Epstein became a hero, if that makes you feel better.

Guy #2 pushes Guy #1 away from him.

Guy #2: OF COURSE NOT! AND THAT WAS BATMAN, NOT LINCOLN!

Guy #2 keeps crying.

Guy #1: Okay, I'm sorry. I think we both need to relax, and think about all of this from a different perspective. Two things could happen: we either receive a really good pizza...

Guy #2: Or something terrible happens.

Guy #1: IN YOUR OPINION.

Guy #2: Shut up.

Guy #1: Bro, really. I think the second thing will happen only if we think negatively about it, which I think is the reason behind all these bad things. Relax, bro. I think it's

incredibly disrespectful with whoever is sending these boxes to not use its content at all. A present it's a present, bro. After all, that's how we got our iPhones.

Guy #2: At the cost of exploiting some random Chinese child in an Apple factory.

Guy #1: Well, nothing teaches discipline more efficiently than forced labor.

Guy #2: Who said that?

Guy #1: My grandfather. The point is... It's all on how you look at the things that have been happening to us. There's always something good about it.

Guy #2 stops crying. He cleans the tears off his face.

Guy #2: Well, you might be right. It's all on perspective.

Guy #1: Yes, it is. So... Shall we eat some pizza?

Guy #2 hesitates for a moment.

Guy #2: We'll see. So, what do you think it is?

Guy #1: I don't know. Try poking it.

Guy #2 puts his hand inside the box. We finally get to take a look at the thing inside the box: it is just a squeaky dog toy ([for reference](#)).

Guy #2 grabs the toy, and squeezes it a little bit. He pokes it for a while. Nothing happens. They both look at each other, confused faces altogether.

A second passes, and the doorbell rings.

They both look at each other, listening, without moving. A voice from outside the door is heard.

Voice: Is someone there? Somebody ordered a pepperoni pizza to this address.

Guy #1 and Guy #2 scream in awe. They hug each other happily.

Guy #1: I told you, bro, I told you. Now, let's eat the hell out of this pizza. *(to the door)*
I'm coming!

Guy #1 goes to the door.

Guy #2: Phew, that was close. I'll get some Coke from the fridge.

Just when Guy #2 is about to get off the shot, the news channel is displayed. We hear the voice of a news reporter.

Guy #2 stays.

News reporter: Evidence of election fraud has finally been uncovered, and Donald Trump has been declared as the winner in the states of Georgia, Arizona, Nevada, and Wisconsin.

Guy #2: Holy sh...

News reporter: This means that President Donald Trump will indeed have a second term, starting in just a few days.

Guy #1 comes back. He removes the box from the table, and places the pizza box on it.

Guy #2 is looking at the TV, astonished. He looks at Guy #1.

Guy #1: What?

Guy #2: (screams).

THE END.

(ALTERNATE ENDING)

Guy #1: I told you, bro, I told you. Now, let's eat the hell out of this pizza. *(to the door)*
I'm coming!

Guy #1 goes to the door.

Guy #2: Phew, that was close. I'll get some Coke from the fridge.

Just when Guy #2 is about to get off the shot, the news channel is displayed. We hear the voice of a news reporter.

Guy #2 stays.

News reporter: Indian filmmaker M. Night Shyamalan is set to direct two new movies of "The Last Airbender", following the disastrous adaptation of the popular Nickelodeon's TV show.

Guy #2: Holy sh...

News reporter: Vin Diesel has been casted to the role of Avatar Aang.

Guy #1 comes back. He removes the box from the table, and places the pizza box on it.

Guy #2 is looking at the TV, astonished. He looks at Guy #1.

Guy #1: What?

Guy #2: (screams).

THE END.
