

***WORKING WARDROBES** is Orange County's foremost career development nonprofit, championing on behalf of at-risk men, women, young adults, and veterans to help them achieve the dignity of work. Founded in 1990 by CEO/Founder Jerri Rosen, Working Wardrobes has been serving the Southern California region for over 30 years, providing job training, career placement, and wardrobe services to more than 105,000 clients to overcome barriers to employment and achieve the Power of a Paycheck®. For more information, please visit www.workingwardrobes.org.*

Working Wardrobes offers many services and programs to provide assistance to our clients. Below, we detail our four main service lines at our **Career Success Center**:

- **Rebuilding Careers:** We provide computer fundamentals training, certification, virtual workshops, laptops and success suits to clients who are on the wrong side of the digital divide. Our free, interactive seminars are designed to help hone in on skills and get clients workforce ready. Each seminar features a seasoned business professional who will walk through strategies and techniques to enhance skills needed for each career path.
- **Senior Employment Program (SCSEP):** For those looking to get back into the workforce, we can help. Working Wardrobes helps find employment that is catered to specific needs. The Senior Community Service Employment Program (SCSEP), available through Working Wardrobes, provides one-on-one job search assistance, career development workshops, and professional interview clothing for eligible seniors. This powerful, federally-funded program matches older adults with part-time training assignments at nonprofit and government organizations to build skills, experience, and self-confidence, while earning an income. For many individuals, their SCSEP experience leads to permanent employment!
- **Reentry:** Reentry into the workforce can be difficult, but our team is here to help. Working Wardrobes offers programs and services designed with each client in mind, so they can say "I got the job!"

- **VetNet:** Transitioning from military to civilian life can be challenging. We're here to help! We provide veterans from every branch of the military with the tools and skills they need to find meaningful employment after service.

Each of our services offer the following programs:

- **Career Readiness-** From individual appointments with career coaches, to career and personality assessments with personalized follow up, to practice with professional interviewers, to HR professionals helping you create the perfect resume, we can help. Even top-notch employers drop in to share secrets of success about their internal hiring processes!
- **Job Placement-** Job coaches will help you track job leads, and tailor your resume and cover letter to specific positions. You'll learn how to create searches with instant notifications of new positions. And our partner employers will accept resumes with our recommendation—a little “extra” when you need it most!
- **Wardrobing Services-** When you're enrolled in our program, and have been working with us on employment, you will be eligible to receive a success suit to help you look your best on interview day!
- **Soft Skills Training-** In today's competitive work environment, skills such as effective communication, a positive attitude, and being dependable and adaptable to any situation will not only increase your professionalism, but will also contribute to the success of your employer! You will gain a better understanding of your employer's perspective, practical skills, and ten essential areas to help you improve your soft skills.
- **Job Club-** Learn about the Power of your Image, how to enhance your resume and improve your LinkedIn profile and get insider tips from employers.
