

5 Fast & Easy Hairstyle for When You Are Running Late

There are times when you have a few minutes left and you have to rush hard to pick your kids from school, attending the conference, meetings, or date nights when you have to freshen up quickly after the work routine. Though it is easier to choose the best outfit for the occasion, yet when it comes to choosing the hairstyle you find yourself in a BIG CONFUSION.

Messy buns or half-knot are some of the everyday favorites for girls but it's always fun to have more styles to be carried out with your hair. Isn't it? So what are we waiting for? Let's find out some perfect solutions for your hair when you have a few minutes to go.

Low Pony

A classic low ponytail always work and ideal for women who often running late in their schedule. To make that style, part your hair in the middle & then pull your mane back. Just after that, tie with the hair elastic and that's it! You are done with your hair. This style won't take you enough time and you will still look gorgeous throughout the day.

Low Bun

For casual meetings, you can opt for a low bun style. This will lock your hair altogether without letting your flicks all around. Even, if you are heading out with your girl gang, then this style will work amazingly.

**Wear a Head Band**

When you have no clue what to do with your hair, wear a simple headband. Wear it like a bohemian style around the crown of your head. When going to clubs or dinner with your friends, this will look fantastic. But if you want to keep hair off your shoulders, then you can go with a low or messy bun. That will also look good.

French Twist

If you want to wear your hair up, French twist is good to go. Just gather hair at the crown, pinch to center, and pin in both directions. Now, pull hair from one side across the back & secure with pins in upward direction. Lastly, tease the rest of the hair, exposed or smooth side into a twist. This is apt for attending conferences and it won't take your serious time.

Twisted Crown

A twisted crown hairstyle is an evergreen! You can use it anywhere anytime. Just take a few pieces of hair around the crown of head & twist them. Don't make it tight. The looser you will make, the better it will look. Once you have taken your few pieces, tie them with a few hairpins or you can know them together to look more stylish & classy.
