

# Tinted Glow Wonderscreen<sup>®</sup> SPF 30

Containing 19% zinc (that's a lot of protection), this clean mineral sunscreen features a sheer tint (now available in three shades) for that gorgeous year-round glow.

## KEY BENEFITS

- + *SPF 30*
- + *19% zinc*
- + *Sheer tint*
- + *Luminous glow*
- + *Non-whitening*
- + *Non-drying*
- + *Broad-spectrum*
- + *Non-comedogenic*
- + *Lightweight*
- + *Non-greasy*

## SUGGESTED USE

Apply Tinted Wonderscreen generously to cover the entire face and neck area for a subtle glow. Always use as the last step in a routine. Ideally, apply SPF every two hours.

## SUPER STAR INGREDIENTS
