## Experience

### Leaf Magazines

Copy Editor 05/2024 to Current

- Assist state Content Directors in managing copy flow, utilizing Google Suite content tracking tools, for five monthly magazines from 25-30 writers, designers and clients.
- Known for using "eagle eyes," edit documents for AP Style, publication voice and grammar issues, delivering error-free materials to nationwide readers and clients.
- Prepare, rewrite and contribute as-needed copy, such as the National News column.

### Green Eugene Magazine

Editor-in-Chief, Writer, Photographer, Social Media Manager | Eugene, Oregon 11/2017 to 02/2024

- Responsible for all hiring decisions, delegated assignments, deadlines, print dates and meetings with 8-15 staff members
- Wrote award-winning features, edited and fact-checked all content, and provided total creative direction for quarterly print and digital issues
- Destigmatized and legitimized the local cannabis industry, culture, personalities and businesses, earning the publication its first state-recognized awards
- Administered and designed WordPress website and social media posts
- Maintained local business partnerships and wrote vibrant sponsored content

### Maude Kerns Art Center

Teacher | Eugene, Oregon 01/2023 to 12/2023

- Wrote state-standard art curriculum for ages 6-11
- Created summer camp programs with flora- and fauna-focused themes guiding topics about climate change
- Delivered private lessons structured to individual children's interests and desired growth areas with various media

### Fallon Love Productions

Event DJ, Assistant | Oregon and Washington 03/2021 to 03/2022

- Created client-specific event playlists and mixes using Virtual DJ
- Independently traveled to venues to operate and set up/take down professional audio systems and lighting equipment
- Announced and facilitated programs on event schedules

### Puma Press

Editor-in-Chief, Environment Editor, Staff Writer | Phoenix, Arizona 09/2019 to 09/2021

- Designed weekly digital and quarterly print newspapers, following AP Style Guide
- Managed staff of 15-25 writers, desk editors and designers
- Updated WordPress website and Facebook, Instagram, and Twitter accounts with weekly online content

### Environmental Leadership Program (ELP)

Educator 01/2020 to 06/2020

- Created and delivered field trip curriculum for 5th-8th grade students in H.J. Andrews Old Growth Experimental Forest about climate change topics
- Collaborated with nonprofit and community partners to address local environmental needs to design lesson plans
