

Turning Up This Summer? Get Amazing Dresses At 30% Discount At Heiress.Com

It was my girl Becky's birthday party, and it was going to be banging off the chains.

There I was again, rummaging through my wardrobe for hours, looking for the perfect outfit.

Every piece I tried reminded me of the last event I had it on, which made it look kinda overused.

My bedroom was a mess, clothes everywhere, yet none of them clicked.

I couldn't afford not to 'slay' at Becky's.

Frustrated, I texted Sarah, and she hooked me up with **Heiress.com**

Wow! What an awe-mazing website. I was like a kid in the candy store.

So many designs to choose from that I couldn't stick to one.

Lucky for me, there was a **30% discount** on all sales.

Heck yeah! I picked not just 1, but 6 dresses.

I was so excited and couldn't keep to myself.
