"We know these last few years have been, and continue to be, tumultuous. The truth is we are all witnessing an evolutionary shift in humanity that is calling us to new levels of love and ways of being as we come into the full wisdom of our heart.

As a cherished member of the Sophia Community, you can help light the way to an awakened world, and a new humanity and consciousness. One that cares for and protects our beloved planet and all people.

With your donation today, together we will light the way."

Thank you for giving,
Carolyn Rivers,
Founder, The Sophia Institute
