

If an Awakened World is on your wish list this year,
you've come to the right place.

The **Sophia Institute** is celebrating 20 years of "heartwork" to raise consciousness and cultivate wisdom communities across the globe. Your generosity fills our hearts with hope, and we invite you to support another 20 years of **Sophia Institute** programming to help awaken the world by considering a donation to our end of year campaign today.

Help us reach our goal of raising \$20,000 by December 31 and a generous donor will match it with a \$20,000 bequest!

Together, We Can Light the Way to an Awakened World!
