

The Women's Center & Excellence

at East Ridge Hospital

The Center of Your Healthcare Needs

he giving of life. No human experience compares.

At East Ridge Hospital, the wonder of childbirth, shared with the family you love, is a miracle to cherish forever.

As trained professionals, we are committed to your health. To quality prenatal care. And, ultimately, to your baby's safe delivery. As warm, compassionate and caring individuals, we are dedicated to your comfort. And to your baby's special needs.

It's why we offer the Women's Center of Excellence — your guarantee of personal attention and sophisticated technology in every maternity service we provide. Whether it's a Lamaze or parenting class, family-centered birthing or advanced postpartum care, the Women's Center of Excellence offers the ideal blend: sensitivity, with the very latest in medical expertise.

Ours is health care the way you want it — comprehensive, high-quality, family-conscious, delivered by skilled professionals, responsive to your emotional and physical needs. At the Women's Center of Excellence, it's our gift to you. Because nothing's more treasured than the gift of giving life, and the joy and celebration of your baby's birth.

We're here for you, to help you have the most rewarding pregnancy and childbirth experience possible. We're here to help you and your family celebrate... to make your "birthday" celebration the most unforgettable moment of your lives.

Our fully equipped nursery offers the very latest in medical equipment combined with a staff of highly skilled, family-conscious professionals.

*B*irth is just the beginning.

Childhood is but a fleeting moment.

Make the most of every second.
