

"The Sophia Institute is a sacred grove, a source and beacon in today's world for transformation and spiritual growth. It's a gathering place for those on the journey, a place committed to awakening the conscious heart in all of us... It truly works like a greenhouse for the soul." ~ Mark Nepo

Dear John,

Are you feeling like I do- that **the time for an awakened world is here and NOW and needed more than ever?** I know it's been a tumultuous year of reinvention, rebirthing and pivoting for so many of us! The world as we know it is breaking down for "the breakthrough" so we can experience the healing of humanity, our earth and the institutions that serve us. Now more than ever, The Sophia Institute needs your support in igniting the creative and transformative energies that live within us all to bring about a more just, sustainable, and flourishing world for this generation, and the next, and the next.

As TSI enters its third decade of service to Charleston and the greater world, we hope you will help us expand our *20-year heritage of "heartwork"* to create a more equitable, conscious and awakened world by considering a generous donation to our end of the year annual campaign. With these new challenges, you also have an unprecedented opportunity to invest in the reimagining and "Renaissance" of our new world. **As you light your candles this holiday season, we hope you will also consider helping us ...**

Light the Way to an Awakened World!

We invite you to help light the way for this new awakened world that awaits us! Your generosity helps sustain the following leading-edge initiatives and grow the transformative power of wisdom, unity, and love in the world:

- Helps us secure extraordinary thought leaders and spiritual teachers on our faculty as well as funds invitations for new faculty and provides scholarships for students
- Supports our 20th Anniversary and third decade of providing phenomenal in-person and virtual programs that help you achieve profound transformation and unlimited spiritual growth
- Promotes social justice, truth, racial healing, transformation and racial healing circles in Charleston in collaboration with 40 non-profit, government and civic organizations that are advancing bold strategies

Here's how you can make a difference.

Consider making a "Light the Way to an Awakened World" or "TSI Happy 20th Anniversary" gift before the end of the year. Visit us, online at www.awakenedworldddonation.com or, mail your check or credit card details to The Sophia Institute, P.O. Box 1738, Charleston, SC 29402. Stock transfer and legacy donations are also an option.

I thank you in advance for helping sustain and grow the transformative power of wisdom, unity, and love for a more just, whole, sustainable, and conscious world for all people.

With Much Gratitude,

Carolyn Rivers, *Founder and Director*
