

Responsible Gaming: Our Everyday Commitment

Responsible gaming is an integral part of our daily operations. During Responsible Gaming Education Week (RGEW), from September 19-25, we are joining with the American Gaming Association and partners across gaming to promote gaming literacy to our patrons while showcasing our everyday commitment to responsible gaming.

With the expansion of legal gaming across the country, we are committed to educating seasoned bettors and new customers alike on how to keep gaming fun:

- Set a budget and stick to it.
- Keep it social and play with friends, family, or colleagues.
- Know the odds by learning about the game you're playing.
- Play legally with licensed, trusted operators.

Every Team Member has a role to play in educating and engaging the public about responsible gaming. We encourage you to review our responsible gaming resources this week and consider the role you play in fostering responsible gaming.

Team Members are invited to participate in the Responsible Gaming Education Week Quiz. Team Members who receive a passing score on the quiz will be entered into a drawing for a chance to win \$10. Interested participants will need to log into the Ceridian LMS and click on **Responsible Gaming Quiz**. Quiz submissions must be complete by **9/25/2021**. Winners will be announced in the next newsletter.
