## DUBAI PROPERTY EXPO

Dear Harry,

Deciding on the right investment is not easy. But did you know that returns on investment in Dubai are much higher compared to most cities around the world? Strategic location, high rental yields, tax-free returns, beach lifestyle and more than 300 days of sunshine are just some of the reasons to invest in Dubai.

From Burj Khalifa, the world's tallest building, to the most visited retail destination in the world, The Dubai Mall, our projects and communities genuinely reach new heights. Since 1997, we've developed a presence in 12 countries around the world.

And now, we are coming to venues near you to showcase some of the most sought-after investment opportunities in Dubai, starting from GBP 147,000.
