

The American Gerbil Society presents:
**The 17th Annual New England
Gerbil Show**
Saturday, June 9, 2018

Hosted in Maine for the first time!

The AGS's New England Show is the longest-running gathering of gerbil breeders and enthusiasts in North America. Educational displays and presentations, available animals, gerbil care tips from breeders, and fun pet-class competitions for the whole family at this day-long, kid-friendly event. You will never see anything quite like a gerbil show!

At the show, gerbils from around the United States will be judged for their color and temperament. The gerbil show works much the same as a cat or dog show. Last year's event featured lots of gerbils and many gerbils received awards. Two lucky gerbil finalists will be awarded Best in Show and Best Opposite Sex rosettes.

Pet Classes will also feature toilet paper chewing competitions, ball races, and a photo contest!

Open to the Public!

Saturday, June 9, 2018
11 am - 5 pm
\$5 admission (\$25 family max)
