

Abel & Cole’s festive feasting

With all the eating, drinking and being merry, Christmas can be a tricky time to make sustainable choices

That’s why this year, Abel & Cole is taking the ‘less is more’ approach to festive feasting. That means less plastic, less waste and less excess — more quality, more character and memories made over a cracking organic spread. In their shop you’ll find foodie gifts galore and everything you need to make the big day magical without costing the earth.

With veggie and meaty options to choose from, there’s a Feast Box for everyone. Inside you’ll get all the pre-measured organic ingredients you’ll need to rustle up your own Christmas miracle, and easy-to-follow recipes to take the stress out of cooking on the big day. And, for that special food fanatic in your life, there’s a grotto’s worth of gifting inspiration, from Port and Stilton sets to humongous hampers, bursting with the best of the organic food and drink world.

And if you’re looking to deck your halls in sustainable style, there’s even

Use the code **UNWRAPXMAS** to save a jolly £10 on your first three orders, and receive a chocolate-y surprise in your fourth.

“ Inside you’ll get all the pre-measured organic ingredients you’ll need to rustle up your own Christmas miracle, and easy-to-follow recipes to take the stress out of cooking on the big day

a selection of UK-grown, organic wreaths and table settings from the folks at Organic Blooms; whose work empowers local people with varying support needs. However you choose to celebrate, with Abel & Cole you’ll be supporting the spirit of Christmases yet to come. With their sustainable selection and quality that’ll keep you coming back for more — going all out organic might just be your New Year’s resolution too.
