LOCAL BOUTIQUE PHOTOGRAPHER PLANS BENEFIT GALA

2022 Boss Ladies Gala Aims to Raise \$10,000 for Dove House

OCTOBER, 2022, GREENFIELD, IN – Victoria Odekomaya, a Greenfield-based boutique photographer, invites all Boss Ladies to the inaugural Boss Ladies Gala, 6 p.m. Nov. 3, 2022, for a Party With a Purpose.

The gala, which will be held at the Iron & Ember in Carmel, Ind., benefits Dove Recovery House for Women, Marion County's largest women's recovery residence for women.

Odekomaya, who specializes in magazine shoot style photography meant to boost her clientele's confidence, wanted to make Dove House the recipient of the gala's funds to support its mission of providing hope and healing to women with substance use disorder.

Dove Recovery House for Women provides free accommodation, education, and resources to women recovering from substance, alcohol, sex, physical and emotional abuse, as well as women who have experienced homelessness.

It serves 40 women every night and more than 80 women annually. It costs approximately \$222 a week to serve one client at Dove House, but this cost is completely covered by grants, corporate supporters, and individual donors. Odekomaya's goal is to raise \$10,000 and/or to support at least 3 women.

She also wanted to provide an opportunity for women entrepreneurs to celebrate their hard work through the pandemic.

"I wanted to create something very special as a gift for all women in business to enjoy," she said.

Tickets cost \$60 per person and include:
