BRIGHAM HEALTH

**BRIGHAM AND WOMEN'S
Faulkner Hospital**

Dear Friends,

Thank you for making the 2017 B.A.A. 10K race presented by Brigham and Women's Hospital (BWH) such a success. Each June, this race kicks off the summer season with an opportunity to experience the thrill of running through the streets of downtown Boston while supporting a world-class hospital.

This year, we were thrilled to have 600 team members—triple the size from last year. Each teammate had a different reason for undertaking this iconic road race, but all ran with the goal of supporting the doctors, nurses, and staff of BWH and Brigham and Women's Faulkner Hospital as they work to improve the lives of countless patients and families.

Most impressive, this year we increased our total fundraising amount by 160 percent! This is a tremendous achievement that wouldn't be possible without the dedication and commitment of all our runners. Thank you.

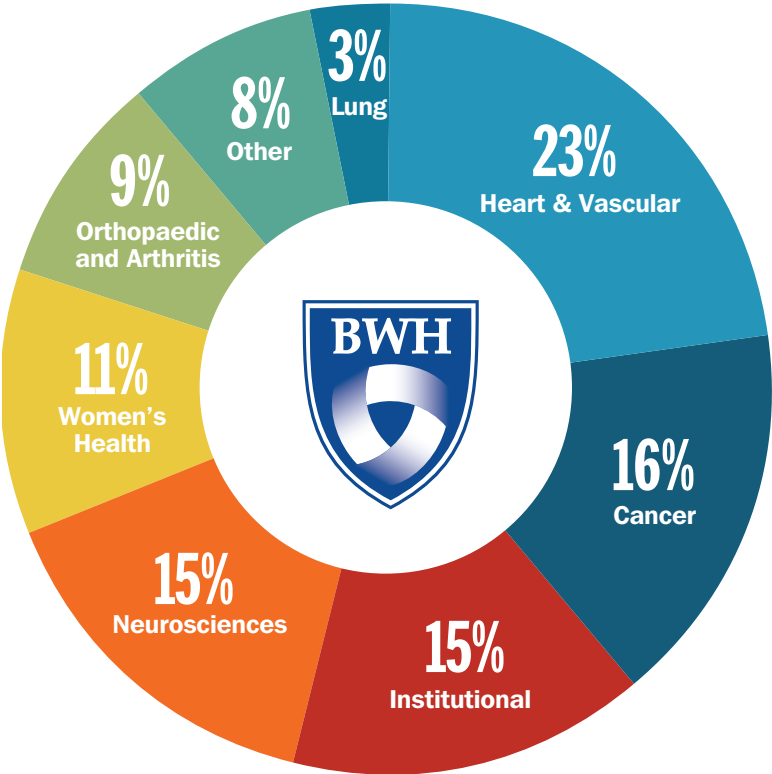

Please enjoy the enclosed race summary report, and we look forward to having you back for next year's race on June 24. Registration opens March 1 for BWH runners.

With gratitude,

Elizabeth G. Nabel, MD

BWH and BWFH Teammates Raise \$325,000

Team members ran for different reasons and dedicated their fundraising dollars to various specialty areas, but all ran to support the Brigham family. Here's how those dollars are helping our doctors, nurses, and staff as they work to improve the lives of countless patients and families.

Olympic marathoner and silver medalist Meb Keflezighi high-fives Robert Riviello, MD, from the Burn Trauma Team

Rachel Amaral from the BWH Social Workers Squad team
