+ more visions, more notes

*I promised to make this journal entry into a PDF and upload it to my site within the following week, for those who may find it easier to read a printed copy versus reading on their mobile device.*

*For those who didn't mind reading on a device, you were welcomed to click the playlist I put together last week Tuesday evening [into the early early Wednesday morning] and read the INFO SECTION, AT THE TOP of that playlist first, for the details of this vision I was given back in April of this year. The videos I was led to include, were curated for the edification of both believers and non-believers, alike, as it is important for anyone led to my writings to understand and discern the heart of our Master on this topic.*

## **M**ighty men of renown,

i.e. the uncircumcised Philistine that spoke trash about the One True Living God of Israel, and got his head with his neck cut asunder for it, by a young David whom Abba Yah had also given the paw of the bear and the paw of the lion. David wasn't a punk when it came to confronting beasts or even this gargantuan mighty man of renown. Ponder it and study it further in [1 Samuel 17](#).

Also note, if you take the title of this vision and plug it into a web search, it will bring you to Genesis 6...

### 👑 GENESIS 6:1-4

"And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown."

This lays harmoniously with...

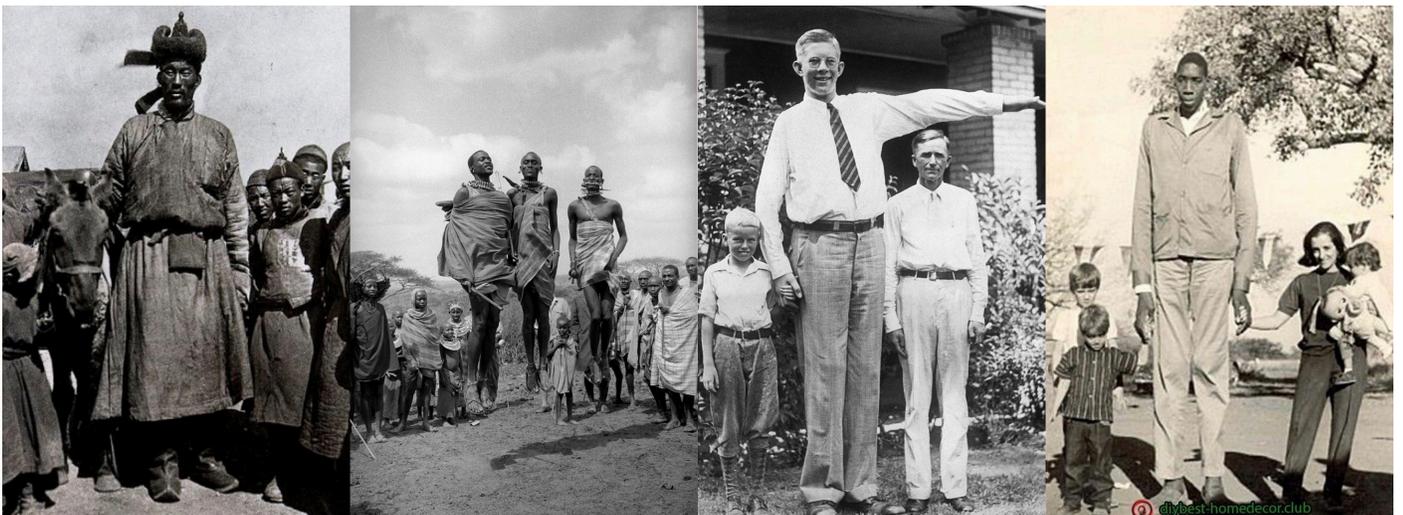

👑 JUDE 1:5-7

"I will therefore put you in remembrance, though ye once knew this, how that the Lord, having saved the people out of the land of Egypt [thru the Red Sea], afterward destroyed them that believed not. And THE ANGELS WHICH KEPT NOT THEIR FIRST ESTATE, but left their own habitation, he hath reserved IN EVERLASTING CHAINS [the spirits in prison] under darkness unto the judgment of the great day. Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."

And lastly, lay these passages alongside this passage below...

👑 1 PETER 3:18-21

"For Christ also hath once suffered for sins, the just for the unjust, that he might bring us to God, being put to death in the flesh [the FRONT DOOR we enter in, by the veil of His flesh, ref. [Heb 10:19-22](#), [John 10:7-10](#); here's why we are commanded to believe AND call upon His Name: [Heb 2:6-17](#), [Heb 10:5-22](#)], but quickened [made alive] by the Spirit [by His Victorious Authored and Finished Faith/Risen Life, ref. [John 14:18-21](#), [1 Cor 15:45, 47](#), [Rom 8:2, 9-10](#), [1 John 3:23-24](#), [Gal 4:4-6](#), [Philip 1:19](#), [1 John 5:9-13](#), [1 John 4:14-15](#), [Rom 10:9-13](#)]: By which also he went and preached unto the spirits IN PRISON [the fallen angels that kept not their first estate, but left their own habitation; demonic entities reserved in everlasting chains]; Which SOMETIME WERE DISOBEDIENT, when once the longsuffering of God waited in the days of Noah [ref. [Gen chp. 6-9](#)] while the ark was a preparing, wherein FEW, that is, eight souls were SAVED BY WATER. The like figure whereunto even [water] [BAPTISM DOTH ALSO NOW SAVE US](#) (not the putting away of the filth of the flesh, but [the answer of a good conscience toward God](#),) by the resurrection of Jesus Christ:"

**M**any have not obeyed this... yet this is the Root of the Gospel. One cannot receive eternal life if they have not yet died calling upon the One who was the first of many brethren to be raised from the dead. We are made dead to every sin, thru calling upon the Name of the One Who Authored and Finished the Faith of the New Covenant: the new divine-human race. Those that received Him, the divine literal Son of Yah, Yahusha ha'Mashiach/Jesus Christ of Nazareth, to whom He gives power to become the sons of Yah, even to us who believe on His

Name. It's such a simple command written plainly in John 3, where our Master broke it down verbatim. Read His Words in red, and think for yourself. Ponder all the way down to verse 21, especially. Then go back and re-read verses 3 and 5. He made this so easy for us, yet many shrug, frown, clap back, and get irritated bc those that stand before the them diminish this pebble, causing them to lack understanding; building their own thing, while rejecting the Stone. I pray you do no follow after the masses, our Master Jesus said, 'My sheep hear my voice [understands/listens to

Me: keeping My Words, My commands, and My sayings in their hearts], and I know them [intimately bc we obediently do truth, trusting in who He said He was/is: the literal divine Son of Yah, repenting by confessing and forsaking our wicked ways and turning to Abba Yah by calling upon His Son's Name, honoring our Messiah, as we die to enter His death thru water baptism being made dead to sin, that we may be made the righteousness of Yah, in Christ; He is that Door; that True Tabernacle we enter; the strait Gate of which He prophesied many will miss and not find, unfortunately], and they follow Me.' Yes, that's right and no other strange person. Just as He was the divine literal Son of Yah, in the flesh, w His chosen disciples turn apostles following Him, so it is today. He is the divine literal risen Son of man now, sent to indwell His revering obedient offspring and lead us in Truth, like a Good Shepherd with His flock. "Christ liveth in me", this in short, is the heart of the Gospel. For the meek, it's very simple to understand and extremely joyous to faithfully obey.

### 👑 JOHN 3:21

"But he that DOETH TRUTH COMETH TO THE LIGHT [what is doing truth? He already told many of us who love to read our Bibles but omit the importance of genuinely being born again. There are many nice guys rejecting the divine counsel of Yah against themselves, whom diminish honoring our Master and His Name. In their estimation, 'allowances' can be made and they're the exception. Many run after their own righteous ways and cleave to these men's words/sayings. But I speak to the meek, and I warn not to put a man or a woman before our Master. Go read what He commanded Nicodemus and pray expecting that He will make it make sense, ref. [John 14:12-14](#)], that his deeds may be made manifest, that they are wrought [done] in God."

***I take notes and I share those notes as I am given the unction to share them here with you. I am thankful for your time in reading them and may the Lord Jesus, our Master Yahusha ha'Mashiach, richly bless you with His wisdom, truth and understanding, for those that desire Him.***

 VISION: MEN OF RENOWN [Mon April 17, 2024, awoke 647am] - As seen in the info section of this playlist, Published: Tues Aug 20, 2024, 1224am

In the very last scene, I saw a couple — a Negro man with either an Asian or Biracial young lady. As they stood in line, the young lady stood before her man facing fwd; she stood in front of the Negro man. I then observed the Negro man turn around to a Caucasian man that stood directly behind him in that same line, and he either made a "pass" of some sort, or said something very covertly. Whatever it was, the Negro caused the Caucasian guy to 'shiver' or 'flush', as he gently touched his clavicle bone/bust area: much like how a lady might do when she is pleasantly surprised by the gesture of an attractive man, yet at the same time taken aback by how forthcoming, charming and assertive he is. In the world, this type of attraction is what I call, "visceral", or "vibing" or experiencing some sort of "chemistry".

In that moment, I was able to perceive the Caucasian man in the same way that the Negro man perceived him — as a "sexually attractive 'woman'". I was confused bc the Negro man already had a very lovely fair young lady there standing in front of him... however he made a pass at the Caucasian guy that stood behind him and then turned back around smiling as if he was pleased by the man's reaction; turned on by it. A dreamy-cheesy type smile. This thing made his day. He was a 'pretty boy/basketball player' type; very clean-cut, like a financial analyst or a nurse, or a doctor or medical aide type.

And with a blink of an eye, a gargantuan, massive entity manifested right behind the Negro man and then stepped into him. Yes, it walked straight into the Negro man... as if 'possession' just occurred. This entity was like 7ft-7.5ft tall, and it 'overshadowed' that man. A warrior-type, with a very distinctively shaped silhouette revealing its armor. Armor that covered its crown, ears, eyes, forehead, with its nose, mouth and jawline exposed. There was this red fluffy hair type material that fanned out of its helmet. I noted the same red material arrayed over metal plates that covered its groin area, much like a tu-tu over a mini A-line skirt. It was very very very muscular, broad shouldered with a physique much like the Greeks/Romans sculpted their gods. This entity was dark — literally speaking. Tones were muted under a deep midnight blue-granite grey tint/filter. The Negro man had to be about 6ft tall.

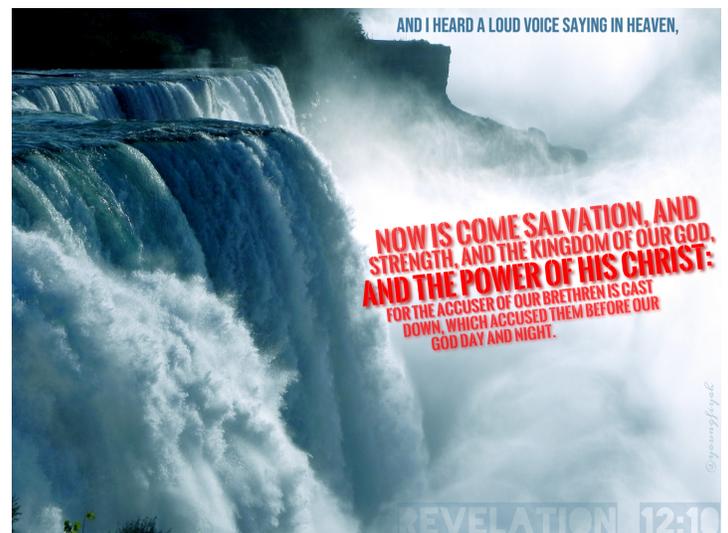

Immediately after I observed this entity walk into the Negro man, the Negro man vanished and all I saw was this entity standing in his place giving the EXACT SAME smile the Negro man did. All of this occurring in just a few moments, behind the young lady's back, while waiting in line in front of her man.

This vision is very self explanatory. It does not require me to give any preface or interpretation. [end]

A few nights ago, as I communed w Abba Father while we watched sis Celestial's Part 5 of 'the Beautiful Men of America' series, my Messiah brought many revelations and research that He led me to do years ago when He led me out of my former career as a Pro Editorial Make-up Hair, & Grooming Artist. This vision He gave me just a few months ago also came to mind, as He desired that I share it along with this sister's videos to offer further context concerning His heart on this. I believe those who are meant to read this will find this and I pray Abba opens your understanding that you might hear with an ear what the Spirit is saying, with understanding. Time to confess and forsake. May Abba Yah grant you Godly sorrow which leads to genuine repentance [admit it and quit it], being ready to die calling upon the Name of His Beloved Son. I pray the meek who fears God, surrenders to His Son to be made dead to sin, HONORING HIM, being water baptized for the remission of their sins, entering His death by calling upon His Name to save them with His Life [and not some 'third person'?!]. Grab a Bible, and pray asking to understand John 3 and read the entire chapter. This chapter vividly illustrates the key components re: the Way of Salvation He made for us. See the latest [Seed of Life](#), Ps 77:19-20 [powerful painting/concept design by Samuel Michlap (scripture/typefont by me)].

### JOHN 3:16-21

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world **through him** [His Son, not any other person] might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God [to believe w the heart, is to confess w the mouth]. And this is the condemnation, that light is come into the world, and men loved darkness [their way] rather than light [His Way], because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that DOETH TRUTH COMES TO THE LIGHT [comes to the knowledge of Salvation thru repentance and forgiveness of their sins, does truth surrendering in water baptism calling upon the Prestigious name of His Son], that his deeds may be made manifest, that they are wrought in God."

# MORE NOTES, MORE VISIONS...

After posting my last community post last Wed, Aug 20, 2024, I was given a dream...

 Journalled, Dream, Wed Aug 21, 2024

In the very last scene, just before I opened my eyes this morning, I saw myself looking at my dream-journal, reading another vision and realizing there were more dreams Abba has given me re: this topic. Hmph, really? I awoke without a doubt, yet somewhat astonished, 'Are there more visions noted in my journal!?' I begin to keenly browse thru one of my hand-written journals. Mm, nada...well, not yet. I ponder if I really have more visions related to this topic, I'll need to thoroughly read thru an older dream journal. I'll ask Abba if He wants me to include it in the written PDF. I promised that I would put together a file for those who prefer to read from a printed version of this vision versus reading it on my yt playlist via their device.

 Journalled, Fri Aug 23, 2024, 814am

The memory of the last scene of my dream, 2 days ago, just flashed thru my mind... 'there's another vision?!' Having just prayerfully fixed it in my heart to begin writing this PDF, today: boom... this thought 'there's another vision' comes to mind. Yes, yes. I used to note all the visions I'd receive, on my phone, over the past 7 years. So I grabbed it to see if perhaps I noted anything there — it's definitely much easier to look up journal entries this way. So I plug in, "gay", into the search bar, and boom ...an entry I noted July 29, 2023, @649am popped up first. Wow...okay, I didn't have to look very long, AT ALL. This parallels the vision Abba gave me in April 2024.

I recall in the last scene, a young urban athletic negro man that seemed to be like a basketball player type. One would of NEVER thought he was gay but he was. I was listening to him and cringing the whole time while he confessed what he felt for other boys at a young age. I recall as I was listening, it came out of no where and for some reason I had a blanket wrapped around me in this dream and I recall almost inclosing myself under the blanket when we spoke peeking thru an opening before my face. Bc it was so perverse and out of left field and strange, that I wasn't expecting him to go into his feelings in such a candid and casually transparent way.

The juxtaposition of his appearance and the nature of his heart, appalled me and I kept cringing as he'd discuss this desire of his that he noticed as a v young boy. I also was able to see the young man he admired as a youth, but at the same age as he was now. One thing I noticed was they both had these small bird shape lips. Something he highlighted when he mentioned or confessed his affinity for that young man—he said that it was his lips that he really liked too but ewww! I cringed under my blanket again, correlating his affinity for that guy and how unattractive his preferences were, imho.

I kept feeling in my heart, "yikes". Smh. I did not correct him nor try to interrupt him or change his mind. I don't even know if I was actually there in the scene w him but I was all the covered up, almost hidden w this comforter enveloping me. He didn't come off as a man that would carry such an affinity but he was unashamed of his heart. Deeply deceived and somewhat in the closet about it bc he didn't come off AT ALL as a man who had attractions to the same sex. Yet he was reminiscent of this affinity from back then to even today, for that ill boy — I wasn't sure if he felt that way for the guy today or was it just when he was little. And how I was able to see the ill boy he was referring to, all grown up like he was, startled me too and I just kept cringing like ughhh. Why? Smh yikes.

So young, urban, athletic types that don't come up as sweet or effeminate may bear these deep inner feelings for other boys or men that appear just like them...?!?!? How disgusting and misleading this can be from looking on the outside appearance. Mmm. Perhaps this is what men were like in the days of Sodom and Gomorrah and the days of Lot? Regular looking young men you'd LEAST THINK would ever be like this, having an affinity for other boys and calmly and openly confessing their deep horrid perverse chambers of their heart. Like it's acceptable in society and a norm, so w no shame or conscience moral sense of right and wrong.

I gradually awoke while thinking about this... and how conversion in Christ has a lot to do w dying in baptism water, when true belief in the Messiah floods and convicts the heart. Hence why Abba sent John the Baptist in the way of righteousness preaching the baptism of repentance. Preparing the ppl of Israel for the Lord. Jesus then also at the great commission commanded in Luke 24, that repentance and remission of sins should be preached in His name among ALL NATIONS, beginning at Jerusalem.

Dream Thurs June 24th awoke at 531am  
June 24, 2021 at 4:26 PM

I recall in the last scene exiting a center of some sort and as I walked out a person w a grey sweat shirt over their head came up behind me w their hand over my head trying to say all these nice but foolish things... then I looked up and saw their face was covered and then I said calmly, Jesus and the person began to melt or loose strength so I continued to take authority by saying in the name of Jesus Christ I rebuke you. Satan you are under my feet, for I stred upon serpents and scorpions and over all the powers of darkness and nothing shall by any means harms me.

Then the face of the woman was revealed as she was now on the concrete laying on the ground slumped into a corner and it was a white blonde woman who did look like the walking dead as her face had no life and she didn't look like she took a shower in weeks. No color to her skin or hair, it was all just a milk-grey white color and she slid to the grown now unconscious. I said Jesus one more time again and she awoke and reached for me and I said no I rebuke in the name of Jesus. And she went limp. I had absolutely no fear. At all, it feels amazing to walk in the Spirit like that.

Then I was back inside where I saw so many ppl who were gay that were once not this way... some were old classmates from high school and some were just ppl in that place I saw when I was walking in and around. I proclaimed so loudly, I am not gay!!!! So move away I like men and I am unashamed. Everyone looked at me and kept it moving. There were small crews of ppl at times that would come up to me and I found it slightly difficult to take authority but after a while I grew so bold and spoke so loud unashamed of my stance in Christ in this dream. I was some what fed up, as many of the ppl were transitioning from being human to whatever a zombie is. But I was also witnessing the pure animalistic nature of man, gays all acting crazy. Even women. Nobody did anything stupid to me but even a little child was there speaking and trying to play w me — but it was not really a child, rather a child in transition too!

I played w him but ended up destroying him in his own game, by the grace of God bc what I did was toss something back at him and he tried to hide but the thing went thru an opening in the play area for children and when I didn't see him come back out, I bent down to look thru the li opening and I saw he was hit by the thing I tossed back at him. Praise the Lord wow. He was on the ground but not trying to play anymore. So I kept walking.

I thought I left my purse somewhere but then I felt as though I didn't and even if I did, it no longer had value to me anymore — ppl were walking dead, so that's when I left...

Oddly so, after the scene from outside happened I was back inside the building and I saw many ppl that was there, no longer there anymore. As I walked back thru I came to the room or space where they accommodated gays and it seemed to be a bit more wild in there. But less ppl were there, this time. Just a woman who sat outside that door behind a desk like a coat check type desk. As I was walking out I heard this spitting sound, as if some one was spitting on the floor. They were on the floor too, but not totally converted yet into a zombie I guess but it was close. I began to walk out and as I sped up, the young lady heard the spitting sound and she also got up and rushed out w me. This caused me to grow a bit fearful and I felt the chills come over my body. I didn't see the person but we heard it and it did not sound v nice. It was creepy and nasty sounding and who wants to be near some one spitting uncontrollably?

So I was out. But then I thought I could of did the same thing I did w the woman out side... but decided to wake up instead.

Dream Sat May 25th awoke 150am

I wasn't until in one scene where an int'l guy (like from Spain Portugal or Europe) I believe was gay or 'in the closet' about it, began to subtly get frustrated that I could tell he was gay and warned him not to live that way? I think. That I knew I needed to watch him. He seemed vindictive but not in an overtly obvious way. So I kept a close eye on him and just in a moment, I sensed that he had some sort of sharp item in his hand and that's when I grabbed ahold of his hand with the device and pressed his hand in. I almost crushed his hands so to feel the device in his hand. It felt like a tiny lil flip blade. As I noted what it was, that's when I began to speak to him and into his life. I spoke rhetorical questions and lucid answers. Can't really recall what was said to him but he came back to his senses. It was almost like the homosexual spirit that was influencing him became beastly and it inspired him to want to harm me for the purpose for which I was sent there. Devil not today! His device was shut down cus no weapon that has or will ever be formed against me and my family shall prosper and every voice that is raised against me and mines I condemn according to the promise given to me in Isaiah 54:17.
