I dreamt once about a mother who worked in the working world...it appeared that she really despised wearing red stained lips... she could not wait to get home to wipe it off. I saw that scene of her in her bathroom bent over a tulip style sink w/a vintage mirror, wiping her lips and face clean. It was like [a nostalgic 1930's scene](#) (**<—click for further insight**) of her montaged w/in my dream. She was a Caucasian single mother who had a lil one. That lil one grew up and was now at a laundromat where I had entered in. The scene was set in the 1950s and I saw her take a phone call — it was her mother. Anyway, long story short: I was able to listen in on their conversation, like an audience is able to listen while watching a film. It was so endearing to hear that even though her daughter ended up having a baby out of wedlock (like her mother did w her), her mother planned to set aside funds for her daughter, just in case, so that her daughter wouldn't have to go thru what she went thru w compromising her values and morale.

I discerned the mother must of either been a follower of my Messiah and Lord Jesus Christ Yahusha HaMashiach, or knowledgeable of biblical womanhood, to possess such a conviction and hatred for wearing a red tinted lip w face powder. I mean, things have gravely changed since then. It's no where near what's going on nowadays (in 2020) w all the obvious pancake layers of foundation, concealer and contouring... which now is actually a norm!

Plus, to witness how deliberate her mom wiped her lips and couldn't wait to wash her face from conforming to the societal pressure of 'professionalism' and 'beauty', during her era in the 30s/40s/50s, to her it felt 'trampish', like a 'whore' or 'seductress' — but yet w/o it, she wouldn't be able to make a living for her and her daughter.

Anyway, she tells her daughter that she is giving her this monetary gift so that she wouldn't have to compromise by conforming to worldly standards (i.e. the independent women; women that desire divorce; that desire married = divorced men; those who desire to professionally dominate/usurp authority over men, 'fearless feminists', etc.).

Knowing now, how Abba has shown me that a wife's role is to be a keeper *at home*, I knew this was what her mom was advocating by providing the means and lifestyle that would afford her daughter to never have to work in the world again. It was so v touching, it almost brought me to tears over hearing their phone call.

Afterward, I leave that laundromat and walk down the street, which reminded me of a neighborhood seen on the tv show, Sesame Street (lol). However, as I turn the corner my eyes were amazed at the sight of everyone lifted up about 6/7ft off the sidewalk! I was utterly astonished. Not only bc it's impossible for everyone to be up there but they were carrying on as usual! It appeared as if they were living at a higher altitude than I was. Not to mention, they all were covered in what appeared to be primary, preschool colors — no individuality or originality at all. Everyone matched and each was covered w this puffy material head to toe. I saw moms pushing strollers in hand, hustling about, in crowds w their children. I don't know how they were lifted up above my head, as IF there was some imaginary sidewalk at a higher altitude or something. It was as if I stood under a clear glass ceiling. I don't think they even noticed me either, nor were they aware that anything changed. They were up in the air, as if it was normal to be walking in the air...?!

I saw only one other young lady pushing a stroller, who was walking towards me and we appeared as normal ppl do — no puffy bright red, yellow, blue or green colors covering our clothes. We also weren't wearing that 1950s style fashion either... we were just plain, like in earth tones w our unique God-given natural appearance.

As I was doing the dishes just now, I had a thought that made me think about this dream which Abba gave me — those women and children I saw walking around above me in the air (and it was like any metropolitan city where we see ppl hustling from one place to another) are what we call 'working women', 'worldly women' or 'women who conform to the knowledge of the tree of good and evil' —secular— of which I was the worst of them.

Yet only a v few I saw, seemed to have heard and hearkened unto the faith and love which is in Christ Jesus and which I accepted bc He came into the world to save sinners, of whom I was the worst. Who is telling us women

to come home, leave the working world behind: be content w what Abba has given you, take care of your husband, your children, and your home.

“The aged women likewise, that they be in behavior as becometh holiness, not false accusers, not given to much wine, teachers of good things; That they may teach the young women to be sober, to love their husbands, to love their children, To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.”
— Titus 2:3-5

The Lord commanded elderly women (or the exp'd/mature in Christ) to be an example to the unlearned women and show them the joys and witty inventions Abba bestows upon a content, diligent, prudent, keeper at home i.e. Joanna Gaines. As wives, learn to love the husband of your youth, whom Abba joined you in a one flesh covenant for life with. Love your children, be discreet and chaste and grow to be good and obedient to your own husband.

If I ignore (or if women who claim to be in Christ ignores) this fundamental truth, my whole ministry veers out of line. If I avoid or lightly esteem this foundation given to me by our Lord, as my primary focus for my ministry, it will lead me astray and out of the way. As br Paul wrote, I would be blaspheming the Word of God; turning a blinds eye to what God is commanding wives/women. This specifically and directly applies to our walk of faith in Christ.

Wow...

Am I really seeing this? Oh my goodness, my Lord? What about single women who aren't yet married? I just heard today that a younger sister in Christ was in college and woke up one day and heard You tell her to leave it all behind and follow You...? Is this true, my Lord? I don't doubt it... I felt that nudge to leave my career behind as well...and I did... but wow, at that time, I didn't even realize that this was a commandment or an instruction for us women in the Lord... wow. Life seems a lot more clearer than ever before.

Sometimes I do things out of obedience as soon as I understand it and then I question if I've taken it too far and second guess bc it's rarely seen amongst other professing believers... But nooooo. You speak straight w me Lord and I hear You. I'm just so amazed and in awe of Your love and provision for the daughters of Zion. Thank You for this revelation and insight regarding this dream. Would You like for me to share it at all? Oh goodness, I've not been so sure about this dream... it is beginning to clear up w understanding. It's just a hard word. I don't want to be stating things that aren't in harmony w the whole word (re: women in Christ; the daughters of Zion).

Until You say so, I will ponder these things...

The Initial Dream — Fri Feb 28, 2020 awoke at 2am

There was plenty of warnings; LOTS of warnings of the fact that Jesus Christ is soon to return. I remember illustrating this to those who might listen. I was not afraid of anyone or concerned if anyone agreed w me bc I have an audience of One in Christ Jesus, Abba Father. There was a small group of us warning the same msg but to different ppl and in various scenarios.

Awoke at 550am

This dream was like a film about a mother who worked daily, in her youth, having *to live up to the world's standards* of beauty. She really hated it. As a grandmother now, her daughter had grown up and had a baby like she did, out of wedlock, and was preparing to go on leave from her employer. It was like I was given an eye or an ear in on their phone call: I recall it was a bright sunny day and a Caucasian young lady who appeared to be in the 1940s/50s, gave notice at her job and was doing a load of laundry at a local laundromat. I too was there doing some laundry, and I happened to see the young lady who had just received a phone call and stepped outside to take it. Somehow I was able to hear their phone call.

Prior to that scene, I just recalled that I was at a big grocery store like a Walmart or a Macy's and was invited to go on a trip w a team of professionals to do a production shoot on-location

somewhere. I didn't know why I was being sought out for this, until I found out they wanted me on make-up for their production shoot. A young lady who was the PA for their production company, walked up to me and asked me if I'd like to join them. She explains they weren't looking for a whole lot of make-up, *just everyday barely there make-up*. I was not expecting this, as this is what I use to specialize in. I was excited to travel but not to Head Make-up. I randomly walked past my mom on my way out of this store and she gave me a look as if to say, *you tell them no* — as she also knew Abba called me out of that industry 3-4 years ago. I told the young lady, no I don't have any make-up. I destroyed it and trashed everything — no beauty kits, no tools, nor brushes, nothing. I dumped it, so I'm not able help. This was true in my waking life, I dumped it all and let it go.

The young lady looked v disappointed but she went on and left. Now as I told her this, I recall as I was headed out of that store, I was also sprucing myself a bit w/ a lip balm: a neutral shimmering balm for the face (the only thing I use currently prior to heading out the door, is vitamin C/E oil + lip balm). Anyway, this is when the scene changed and I entered into that nostalgic scene of an vintage laundromat w the daughter who had just had a baby, took a phone call from her mother, who despised *living up to the standards* of society.

I overheard her telling her daughter on the phone that she saved a monetary gift to assist her daughter w the baby so that the money her daughter already had, could be to used to make her house a home. As I was doing a load of laundry on that bright and sunny day, I over hear everything and said, 'awwww...'. It was so endearing to hear such a warm, heartfelt and intimate conversation like this. It's rare to think anyone would do such a thing, under such circumstances.

Oh goodness, prior to this scene, I recall Xxxxx (Xxxxxxxx, a friend of Xxxxxxx) w tons of weave in her hair, it was crazy. Not that it didn't look well done, it was just SO much of it. She was trying to live up to some beauty standard that I use to represent and uphold — when I didn't know my Messiah — but thankfully He set me free from all of it. I recall she kept looking up...at me...as if I was taller than her but, in waking life, she is much much taller than I am.

I also recall in this scene, I was wearing new sneakers that a small group of ppl along w me also wore. We were on a mission doing something and we were quite influential, surprisingly enough. Our uniforms were a rich navy blue w matching sneakers that complimented white. I recall a young lady searching the internet to find these sneakers we wore — but they were not easy to find bc although they were new they were not 'in trend', and were chosen a while ago so they were probably not available or selling anywhere online. I remember walking by her on this luxury train and seeing her animatedly searching the web to find our sneakers. But again, she couldn't find them. I couldn't explain it to her well enough, that they were chosen a while ago — she just believed that she could find them and buy them nonetheless — she was very 'well to do' or affluent and apparently used to having or getting her way.

I think I worked for this luxury train, as an attendant, and my team was small but we wore a specific attire w sneakers that had a very unique look to them. They matched our uniforms and we stood out. We were very pleased to be given these sneakers to serve the ppl and do what we were called to do.

Now in the last scene of this dream is where the young blonde Caucasian young lady was talking w her mother over the phone. [This scene was set in the 1940/50s and I heard her mom advocating in the most gentle loving way, to never conform to society's standards](#) (← click for further insight). Then I left the laundromat and walked down the street and turned the corner to find everyone elevated up in the air!? As if they were walking on an invisible platform in the air. It was like the new norm or something. This was how the world was, I guess. Moms w their

children lifted up afloat in the air.

They wore 40's style clothing w what looked like a matching swimming cap that fully covered their heads. The clothing material seemed to be covered w this puffy neoprene-like substance; it was vibrant in color. Like primary colors: [red](#), [yellow](#), [blue](#) and maybe even [kelly green](#). [This seemed to be like the trend or what was 'in fashion'](#)([←click for further insight](#)). Every single person looked the same. Same style different color groups. It reminded me of the prince of the air, who is v high-minded and lifted up and thus so are his children (ref: Isaiah 14:12-18; Job 41:34, Rev 13:8,16-18, 18:3-4). It was wild. I saw only one other person, walking on the ground. We did not appear anything like those who were high and lifted up in the air covered w puffy-coated, primary colors and matching swimming caps.

We, walking on ground level, looked like ourselves, as God made us. We stood out bc we didn't conform to the world's standards. I believe my hair was out in a wildly curly way — and the other young lady, who walked pass me, wore sunnies, as it was pretty bright out that day. She had her hair down too which was natural loose wavy curls. We both made eye contact w each other as we passed one another, noticing our unique differences and appreciating them.

I believe this was an 'illustration' of what the mother hated about her society, warning her daughter not to conform or try to *live up* to society's standards but rather be content w her natural unique beauty, take care of her new born baby and be content with what God had given her. To me the mom was encouraging her daughter to be wise and then gifted her daughter the means to live by the royal commandments or instructions of the Lord. Her mom worked hard so that her daughter wouldn't have to enter the working world and be influenced by its cunning craftiness. It was beautiful and humbling to witness this gracious act of kindness and sacrificial love by her mom. It could encourage her daughter to perhaps receive Christ and live a God-fearing life where she does not end up blaspheming the Word of God. This is how women primarily minister, w/o the word: thru our modesty, reverence, respect, our conduct, countenance, and our regard for others.

I recall her mother telling her how much she hated wearing lip-stains, going to work and couldn't wait to get home to wash it all off. I suppose this is why the money she was giving her daughter, was set aside: to offer her the opportunity to neither conform to society, in any way, but rather love and be there for her baby as a mother should. It touched my heart to over hear this bc I understood what her mom was doing; a beautiful gesture that teaches her daughter biblical womanhood, by sacrificing financially (and I could tell it was a v generous amount) so that her daughter would never have to ever go thru what she did, as a single mother.

Journalled Mar 3, 2020 at 647pm — re: Dream Fri Feb 28, 2020

While in my closet earlier this afternoon, I brought this dream up to the Lord to ask Him for further understanding and interpretation — this dream in particular was so well illustrated and depicted in my memory, it felt like a movie. As if I was in a film and each scene was stamped into my mind so clearly and w considerable detail. So I expected Abba to open my ears and eyes today concerning His thoughts and heart.

While watching a sister by the name of Beverly, via The Church in the Wilderness, in her latest video posted earlier this morning ([Mar 3, 2020](#)) @ [1h28m36s](#)([←click for further insight](#)), she begins to mention she "...had a dream about how the mark of the beast will make everyone the same bc communism does that, it seeks to make [everyone the same]...". She went on to say, "... it always talks about equity... They call each other 'comrade'... but

all it is, is a smoke screen..." [I'm paraphrasing her words a bit here after to sum up what stood out to me] '...hiding a system that seeks to gain its power by the ppl willingly giving it up to them...'

Mm. Totally reminded me of this scene in my dream this past Monday Feb 28th.. about how all the ppl were high and lifted up a few feet into the air, and all looked the same, wearing the trend: they all wore the same thing. The only difference btwn them, was that they wore a bright color; primary colors: either red, yellow, blue...and maybe even green.

I believe Abba was showing me the result of those who operate in opposition to the saints, in this last hour (at the end of the age), a spirit of pride — the anti-christ spirit. Having the nature of the beast; all who are not sealed w the Life of the Son of God poured afresh in their hearts, having His Father's name sealed in their foreheads, will sadly be deceived, one way or another and voluntarily worship the image of the beast, take the number of his name and/or receive his mark. They will become just as he is: possessing a treacherous spirit. Full of pride, strife, rebellion, vanity, mammon, selfishness, disobedience, murder, idolatry and perversion. Pride being the senior ruling spirit or power ruling their life, heart and mind.

In the Proverbs, it talks about the proud as being puffed up and lifted up. Many vain talkers amongst the flock already exude this arrogance and have demonstrated this sort of behavior. So plsss be prayerful and take any and all of this before the Lord.

*"Unto you, O men, I call; and my voice is to the sons of man. O ye simple, understand wisdom: and, ye fools, be ye of an understanding heart. Hear; for I will speak of excellent things; and the opening of my lips shall be right things. For my mouth shall speak truth; and wickedness is an abomination to my lips. All the words of my mouth are in righteousness; there is nothing froward or perverse in them. They are all plain to him that understandeth, and right to them that find knowledge. Receive my instruction, and not silver; and knowledge rather than choice gold. For wisdom is better than rubies; and all the things that may be desired are not to be compared to it. **I wisdom dwell with prudence, and find out knowledge of witty inventions.** The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate. Counsel is mine, and sound wisdom: I am understanding; I have strength. By me kings reign, and princes decree justice. By me princes rule, and nobles, even all the judges of the earth. **I love them that love me; and those that seek me early shall find me.** Riches and honour are with me; yea, durable riches and righteousness. My fruit is better than gold, yea, than fine gold; and my revenue than choice silver. I lead in the way of righteousness, in the midst of the paths of judgment: That I may cause those that love me to inherit substance; and I will fill their treasures."* (Proverbs 8:5-21)

Jesus said, 'learn of Me, for I am meek and lowly of heart.' God resists the proud but gives grace to the humble.

In Romans 12:16 it is written, to 'be of the same mind one towards another. Mind not high things but condescend to [associate with] men of low estate. Be not wise in your own conceits.'

In Psalm 131:1 it is written: 'a song of degrees of David. LORD, my heart is not haughty nor my eyes lofty; neither do I exercise myself in great matters, or in things too high for me.'

In Isaiah 2:12 it is written, 'the Day of the LORD of hosts shall come upon everything proud and lofty, upon everything lifted up — and it shall be brought low' — AMEN.

In Proverbs 30:13 it is written: 'there is a generation, O how lofty are their eyes! and their eyelids are lifted up.'

In Proverbs 21:4 it is written: 'an high look, and a proud heart, and the plowing of the wicked, is sin.'

In Isaiah 5:15 it is written: 'the mean man shall be brought down, and the mighty man shall be humbled, and the eyes of the lofty shall be humbled.'

In Isaiah 37:23 it is written: 'whom hast thou reproached and blasphemed? and against whom hast thou exalted thy voice and lifted up thine eyes on high? even against the Holy One of Israel' (kjv) OR 'whom have you taunted and blasphemed? Against whom have you raised your voice and lifted your eyes in pride? Against the Holy One of Israel!' (berean study bible).

Scriptures I referenced to, regarding those who wore those vibrant colors; that appeared to be like the colors of light or what primary colors look like: red, yellow, blue and even green, w bathing caps to match. Every single person looked exactly alike...these ppl were all up in the air, which reminded me of what is said about the prince of the air who is v high-minded and lifted up... and thus so are his children.

Job 41:34

"He beholdeth all high things: he is a king over all the children of pride."

Isaiah 14:12-18

"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit. They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms; That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners? All the kings of the nations, even all of them, lie in glory, every one in his own house [tomb]."

Rev 12:7-9

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

Rev 13:8,16-18

"And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. ... And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the

mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.”

Rev 18:3-4

“For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.”

Ephesians 6:10-20

Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against **principalities**, against **powers**, against **the rulers of the darkness of this world**, against **spiritual wickedness in high places**. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel, For which I am an ambassador in bonds: that therein I may speak boldly, as I ought to speak.”

2 Corinthians 10:3-5

“For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) **Casting down imaginations, and every high thing that exalteth itself against the knowledge of God**, and bringing into captivity every thought to the obedience of Christ.”

Matthew 10:16

“Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.”

1 Thessalonians 4:1-8

“Furthermore then we beseech you, brethren, and exhort you by the Lord Jesus, that as ye have received of us how ye ought to walk and to please God, so ye would abound more and more. For ye know what commandments we gave you by the Lord Jesus. For this is the will of God, even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his vessel in sanctification and honour; **Not in the lust of concupiscence [desire, cravings, longing for what is forbidden, lust (after)], even as the Gentiles which know not God**: That no man go beyond [overreach, step over, transgress] and defraud [make a gain, get an advantage, to have more, to gain or take advantage of; to be covetous] his brother in any matter: because that the Lord is the avenger of all such, as we also have forewarned you and testified. For God hath not called us unto uncleanness, but unto holiness. He therefore that despiseth, despiseth not man, but God, who hath also given unto us his holy Spirit.”

Or

“Finally, dear brothers and sisters, we urge you in the name of the Lord Jesus to live in a way that pleases God, as we have taught you. You live this way already, and we encourage you to do so even more. For you remember what we taught you by the authority of the Lord Jesus. God’s will is for you to be holy, so stay away from all sexual sin. Then each of you will control his own body and live in holiness and honor— **not in lustful passion like the pagans who do not know God and his ways**. Never harm or cheat a fellow believer in this matter by violating his wife, for the Lord avenges all such sins, as we have solemnly warned you before. God has called us to live holy lives, not impure lives. Therefore, anyone who refuses to live by these rules is not disobeying human teaching but is rejecting God, who gives his Holy Spirit to you.” (New Living Translation)
