HANKER AFTER HOLSTER

IN PARTNERSHIP WITH HOLSTER
WWW.HOLSTERFASHION.COM

Stylish jellies, comfy heels and fashionable flip-flops, all in one shoe? I didn't believe it either. But just last week I accepted an exciting delivery from Australia's favourite jelly shoe store, **Holster**. Little did I know, not only had I just received the most beautiful pair of sandals, but also a newfound, everyday go-to, total *must-have* shoe!

If I were blindfolded, I would have believed I'd been gifted a pair of slippers as they were so soft and snug. This particular pair were covered in diamantés

and had a small wedge heel that made them easy to walk in. Believe me when I say, you won't want to take them off.

I soon learned that Holster has launched a new accessories range, too. I was lucky enough to receive my very own 'Glam Mini' bag to match my new sandals. The perfect shoe, the perfect bag - what more could a girl want?

If you are looking for optimum fashion and comfort, I can't urge you enough to try these babies out.
