

CPC+ Data Feedback

Did You Know?

CPC+ practices are now able to access the CPC+ Data Feedback Tool via the AHIN Portal.

What Can I View?

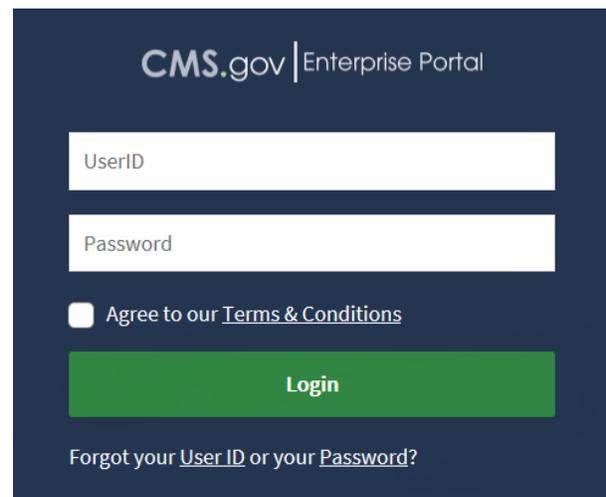

Once you are in the tool, you can review the CPC+ Medicare-only Data Feedback Report for your practice. This will include:

- aggregate and beneficiary-level expenditure,
- utilization
- specialty care delivery
- beneficiary demographics data for your CPC+ beneficiaries

CPC+ practices can also access Data Feedback Tool user materials on the CPC+ Connect to help you better understand the usefulness and functionality of the reports. Materials include a Practice User Guide, Getting Started Guide, and Frequently Asked Questions.

How to Access the Data Feedback Tool

- 1) Click the CPC+ Data Feedback Tool link from the AHIN Portal menu

- 2) Log in using your EIDM ID and password
