

PROVIDING YOUR LIFT TO THE LIFTS

RESORT SHUTTLE BENEFITS

✓ EMPLOYEE RECRUITMENT & RETENTION TOOL

Become the employer of choice by offering current and potential employees a way to safely and comfortably commute to and from your resort.

✓ DIFFERENTIATES YOU FROM THE COMPETITION

Shuttle service is an attractive selling point for guests who want to experience the fun of visiting a resort without having to navigate traffic, parking, or weather conditions.

✓ REDUCES PARKING DEMAND

Providing a shuttle service for employees and/or guests can alleviate the hassles associated with parking congestion, creating an improved visitor experience.

✓ LOWERS YOUR CARBON FOOTPRINT

Reducing the number of individual cars on the road reduces greenhouse gas emissions and air pollution, contributing the shared goal of keeping Tahoe blue.

ABOUT COACH USA

Coach USA is one of the nation's largest passenger transportation companies where ensuring the safety of our customers and employees is a core principle of our operations. We operate 2,250 vehicles and have more than 3,000 employees who serve millions of passengers. Coach USA provides critical local and intercity transport services for communities throughout the United States and Canada via Coach Canada. Coach USA also owns and operates Megabus which provides affordable, express bus service for intercity travel. Since launching in 2006, Megabus has served more than 50 million customers throughout more than 500 cities across the nation.

HOW WE SERVE THE SLOPES

For more than 20 years, Coach USA has taken great pride in our consistent delivery of high-quality and professional service to employees and travelers commuting to and from Lake Tahoe resorts.
