## **5 MINUTES VIDEO SCRIPT FOR ULTAINFININITY**

Soundtrack: Upbeat Music

## Introduction scene

(The first character looking at his PC screen with a bearish cryptocurrency chart displaying. The character is looking frustrated after losing so much)

**Voice**: Have you been trading cryptocurrencies for a long now and you are yet to hit a massive profit?

(The above character is shifted to the left screen while another character is displayed looking tired and sweating after reading so many books on wealth creation)

**Voice:** Do you want to create wealth with ease but you keep facing the difficulties of knowing how to go about it?

(The character is shifted to the right. A third character appears on the screen wearing the ULTAINFINITY CLOTHES.

**Voice:** What you need is to get on ULTAINFINITY GLOBAL PLATFORM.

(The third character hands over two (2) ULTAINFINITY phones to the first and second character and begins to explain)

With ULTAINFINITY everyone is a winner. ULTAINFINITY vision is to help their global communities create wealth with ease. They have lots of packages and offers that has made wealth creation easier than other platforms. Packages and offers like

• The instant credit line that give it's users privilege to get crypto loans rranging from \$10,000 - \$250,000.

(Money start raining ok the first and second character and the frustration on their faces is replaced with excitement)

- Secured wallet, that gives your crypto investment 100% security from getting hacked
- Good tokens like Slapa token, Utta token, Divit Token, synthetic slapa token etc. All these tokens are projected to massively rise by 99,900%.

(A bullish chart of these tokens falls on the first and second characters.)

 Peerwealth that allows you to earn up to 200% APY compound interest on your investment for 24 month

(200% and 24 months falls)

This is so real.

What then are you waiting for?

To join this global community of wealth creators who are creating wealth with ease.
