

AUSTIN HARVEY

Writer · Editor · Podcast Producer

austincharvey@proton.me · 412-515-7349 · austincharvey.com · Pittsburgh, PA

SUMMARY

Digital creator with extensive experience in long-form journalism, daily news writing, podcast hosting, and multimedia content production. Published across high-traffic outlets including All That's Interesting (2.2M monthly visitors) and Discover Magazine, with a proven ability to research complex topics and translate them for broad audiences.

EXPERIENCE

Staff Writer & Podcast Host

All That's Interesting July 2022 – January 2026 · Remote

- Produced over 1,100 articles across daily news, long-form evergreen features, tech and science, historical explainers, and multimedia gallery posts for a publication drawing 2.2M monthly visitors
- Scripted and hosted 110 episodes of the *History Uncovered* podcast, reaching roughly 40,000 listeners per episode
- Expanded into multimedia production: edited social video clips for podcast promotion and used AI tools to colorize and restore historical photographs
- Collaborated with Discovery Channel's *Expedition Files* as a subject matter expert
- Core beats: archaeology, science and technology, history, odd news, mythology, and true crime

Freelance Writer & Editor

Various Clients 2020 – 2022

- Published feature mental health journalism in *Discover Magazine* on adult ADHD stigma and alcohol's long-term effects on sleep
- Authored a book summary of Yuval Noah Harari's *Homo Deus* for Imprint, a major mobile learning platform
- Contributed mental health, sexual health, and reproductive rights articles to Giddy
- Ghostwrote a full-length novel for a private client
- Built a Medium presence with 101K+ lifetime reads
- Editorial content and video production for Cain Brands LLC (Roasty Coffee, Winning Homebrew)
